TWO NATIONAL PARK WORKERS ARE HONORED

Two national park office employees were honored Wednesday night at the annual family picnic of the park staff at the former CCC camp on W. Conederate Ave.

Dorsey L. Rebert, Baltimore St., who retired from the park service December 31, was presented with a meritorious service award by the Department of the Interior.

Jacob A. Small, Gettysburg R. 1, at the same time was presented with a \$100 "incentive award" for his ingenious solution of the problem of removing the Cyclorama painting from the walls of the old Cyclorama without breakage.

Both presentations were made by Park Superintendent James B. Myers for the Department of the Interior.

Praised By Myers

Rebert was given a certificate for "meritorious service," a "meritorious service" medal and both Mr. and Mrs. Rebert were given lifetime passes for free admission to all national parks in the nation.

Small's \$100 check was for his device to remove the Cyclorama painting. Experts had been worried that when the painting was removed from the wall the brittle old paint and canvass would crack. Small, carpenter for the local national park for many years, placed angle irons on a metal rod above the painting and the placed rollers between the angle irons. The painting, which is in sections, was then placed on the rollers and rolled up, thus avoiding any strain that would have cracked the painting.

A total of 61 members of the staff and their families were present for the program.

Superintendent Myers in making the presentations said they had been received some time ago from the U. S. Department of Interior but that he had held up the presentation until such time as they could be presented at a public occasion "because I am proud of the achievement of these two men and I think they deserve much more recognition than a private presentation would give."

RADIO CLUB TO TAKE PART IN EXERCISE

Members of the Adams County Radio Amateurs Society will take part in a nationwide "annual field day" of the U. S. Amateur Radio Relay League over the weekend, it was announced today.

Walter B. Lane, advisor for the 21-member club, said the organization will set up an emergency radio transmitter at Lane's cottage, near Mt. Hope, and nine two hours and 15 minutes each to keep the transmitter on the air from 5 o'clock Saturday afternoon until 4:59 o'clock Sunday afternoon, the period of the "field day."

Designed to test the ability of radio amateurs throughout the nation to set up emergency communications, the "field day" will consist of attempts to contact as many other amateurs as possible by the various groups through the nation during the 24-hour period.

Plan Anniversary Stunt
The nine members of the local "Ham" club are those who have secured general radio amateur licenses by passing tests given by the Federal Communications Commission.

The local amateurs society will also take part in the Battle Anniversary program, Lane said, by setting up a Civil Defense-approved emergency transmitter at the festival to be held at Recreation Field July 1 through 9. During the festival the amateurs will send messages free of charge given them by anyone for any section of the country where other amateurs can be reached to relay the message. The demonstration is designed to show how the amateurs would operate as part of Civil Defense during emergencies.

Lane said the club is currently seeking new members aged 15 or over to begin study in the fall.

MANY TO HELP WITH BAZAAR ON SATURDAY

Many individuals and organizations will serve in various capacities at the annual Visiting Day and Bazaar to be held at the Adams County Home Saturday from 11 o'clock in the morning to 7:30 in the evening.

Mrs. Charles Kuhn, Cashtown, general chairman, said among the members of the general committee assisting in the program are Mrs. Blaine Hughes, Mrs. Lloyd Kleinfelter, Mrs. Mervin Murray, Mrs. Paul Redday and Mrs. W. E. Jordan.

The Women of the Moose will have charge of the fancy work table at which will be offered for sale numerous new articles donated to the occasion.

To Sell Handwork

Mrs. Raymond Powell, Mrs. George Reeder and Mrs. Settle will have charge of the table exhibiting handwork made by the guests at the home and placed on sale during Visiting Day. For many of the guests the only "pin money" they derive during the year is from the sale of the articles they make.

Mrs. Glenn Slaybaugh will have charge of the table offering canned goods and jelly for sale, while the Rebekah lodge will be in charge of the table for cakes, pies and other baked goods.

Mrs. Mark Stock and Mrs. Ward Eason will conduct the table for sale of dolls and Mrs. Pauline Crouse will have the plants and bulbs booth.

Pony Rides, Too

A "White Elephant" table will be operated by the Amvets of Fairfield. The soft drinks and ice cream stand will be conducted by the Auxiliary of the Gettysburg Fire Department. A new articles table will be conducted by Mrs. Wilbur Mackley and Mrs. James Fager.

Chairs and tables for use at the visiting day will be on loan from the Moose and Elk lodges of Gettysburg and transportation to the home for the tables and chairs is being arranged through the Gettysburg Fire Department.

Floral decorations will be placed by the Biglerville and New Oxford Garden Clubs and parking of cars will be handled by Boy Scouts and Explorers of the Black Walnut Boy Scout District.

Pony rides at 15 cents apiece will be available from 11 a.m. to 7:30 p.m. through arrangements made with Grassmere Farms, Harrisburg.

Talks Scheduled

Mrs. W. E. Jordan will be in charge of tickets for the guests. For the annual Visiting Day, the auxiliary provides the guests of the home with a number of tickets enabling them to purchase articles they may desire at the various tables.

PHOTO IN POST

Tuesday's Washington Post carried a two column photograph of a former Gettysburg resident, Miss Lynn Bream, a counselor at the Rock Creek Day Camp, smiling from behind sprigs of poison ivy and Virginia Creeper, for the benefit of some ninety camp counselors taking training at Fort Totten Park in the Washington District. Miss Bream is the daughter of C. C. Bream and the niece of Don Bream, sports editor of The Times, and Mrs. Anna Heintzelman, E. Middle St.

Kills In-laws, Shoots His Wife, Then Suicides

WHEELING, W. Va. (AP) — Juanita Blake lay on a hospital bed today in critical condition. She was left a widow and without parents because her husband went on a shooting rampage.

Mrs. Blake, 18, possibly wasn't fully aware, when she was admitted to Wheeling Hospital, that her husband, Robert Blake, shot and killed her parents, wounded her, and then took his own life.

Sheriff Dave Rees of Brooke County gave the details of how Blake, 23, Wednesday shot down Edward, 50, and Juanita Elliott, 46, the parents of the seriously wounded young woman.

Blake, a truck driver from near Weilsburg, apparently went berserk because his wife would not go back to him. His two young children, aged one and two, were witnesses to the shooting at the Elliott home.

Will Display Model House

The Arendtsville Planing Mill will hold open house this weekend with a model home that displays all the latest furnishings usually found in a modern residence.

The display will be open Friday night from 6-10, Saturday, 2-10 p.m. and Sunday from 1 to 6 p.m. The house is located on Feh St., a short distance from the new school.

The homes are built and sold by the planing mill in cooperation with the Manufacturers Light and Heat Co., Gettysburg.

The home, called the "Blue Star Model Home," shows a built-in built-in kitchen cabinet, a Caloric copertone built-in gas oven, a full basement and an RCA Whirlpool refrigerator. One of the main

TO INITIATE VFW MEMBERS

The Gettysburg Post of the Veterans of Foreign Wars has decided to provide for initiation of all its members.

Meeting Wednesday evening at the post home on E. Middle St., the VFW members decided that even though most have been members for years, all should have the opportunity to be formally initiated.

Commander Wayne Asper noted, "The initiation service is a beautiful and impressive program and we have deprived ourselves of the opportunity of being formally initiated. Cards will be mailed to 25 members each meeting night asking them to be present for initiation. The officers will be in uniform each meeting to carry out the formal initiation program."

MARRIAGE LICENSE

The clerk of the courts today issued a marriage license to Jan W. Wiley, son of Mr. and Mrs. Lester E. Wiley, Dillsburg, and Miss Joan L. Wetzel, 501 York St., daughter of Mr. and Mrs. Roger W. Wetzel.

Donations For Chileans Mount

A \$50 donation from the Sunday School of the Mt. Joy Lutheran Church sent the Chile emergency relief fund of the Adams County Chapter of the Red Cross over the \$500 mark today as new appeals for cash donations were received from American Red Cross headquarters.

While new quakes have added to the suffering, increasing numbers of citizens of Chile have been made homeless or have been killed or injured in the series of disastrous earthquakes. The county chapter of the Red Cross has sent cash and five coat-type sweaters for the relief of the suffering. The money was sent to area headquarters and the sweaters to Landover, Md., for immediate shipment to Chile.

The most recent donations to the emergency fund, in addition to the \$50 gift from Mt. Joy Lutherans, are \$15 from Mr. and Mrs. Owen Reynolds, \$5 from Mr. and Mrs. Howard Knouse and \$2 from Miss Margaret C. Howard. The total gifts now stand at \$566.

ATTY. BIGHAM ELECTED HEAD OF HOSPITAL

Franklin R. Bigham, Gettysburg attorney, was elected president of the Annie M. Warner Hospital at the annual meeting of the board of directors Wednesday evening in the Musselman Annex building.

The new president has served the hospital for many years as an officer, director and general counsel. In becoming president he assumes a position held by his father.

ATTORNEY BIGHAM

Other officers elected were: Leo McDermitt, first vice president; John D. Teeter, second vice president; Henry M. Scharf, secretary; and Philip M. Jones, treasurer.

Re-elect Directors

Eight directors re-elected for a three-year term were: Franklin R. Bigham, Richard A. Brown, Joseph E. Codori, Dr. Frank H. Kramer, Henry M. Scharf, John D. Teeter, all of Gettysburg; Richard W. Livingston, New Oxford, and W. R. Stary, York Springs.

The meeting marked the conclusion of a three-year term in the presidency of Richard A. Brown, Gettysburg attorney, who was given a rising vote of thanks by the directors, following the unanimous adoption of a resolution that paid tribute to his accomplishments in behalf of the hospital. Brown served as co-chairman of the successful fund raising campaign that financed construction of the South Wing which was built during his administration. During his presidency the hospital experienced its greatest expansion in plant and in services.

Brown, two months ago, was selected by the directors to head the campaign to raise the required funds for the surgical wing to be constructed as the second floor of the North Wing.

GETS MOOSE DEGREE

Robert T. Storm, McSherrystown, governor of McSherrystown Lodge 720, Loyal Order of Moose, was awarded the Pilgrim's Degree, highest degree in the order, at the national convention of the organization in Mooseheart, Ill.

Mr. Storm was one of four Pennsylvanians in a class of 130 to receive the honor. He also holds the Fellowship Degree in the Legion of the Moose and has received a life membership in the lodge for enrolling 250 members.

Four Adams County high school graduates are among 21 area youths who have enlisted in the U. S. Air Force and are now undergoing basic training at Lackland Air Force Base, Texas. T/Sgt. James H. Wyland Sr., Chambersburg, area recruiter, announced today.

The countenances are Larry E. McMaster, 17, son of Mr. and Mrs. John J. McMaster, Gettysburg R. 5; Ernest D. Loper Jr., 19, son of Mr. and Mrs. Ernest D. Loper, East Berlin; George C. Wenschoff, 18, son of Mr. and Mrs. Clyde A. Wenschoff, Fairfield, and John M. Sprankle, 18, son of Mr. and Mrs. Lawrence Sprankle, Fairfield.

All enlisted during May or early June.

HOFFMAN HOME WILL OBSERVE ANNIVERSARY

The Hoffman Children's Home, Littlestown R. 1, will celebrate its 50th anniversary Saturday with a day-long program.

Superintendent Jerald Hagmyer, announced the principal speaker will be the Rev. Lee Rockell, executive secretary of health and welfare services for the United Church of Christ. He will speak on "Changing Concepts in Child Care."

The golden anniversary events will get underway at 10:30 a.m. with a bazaar sponsored by the Ladies Auxiliary of the home. Handwork made by the ladies of the church will be sold along with various other items.

Refreshment stands will be operated by the Wolfe United Church of Christ, York R. 6.

Recital, Concert

Ham, green beans and potatoes will be on the menu for dinner which will be served between 11:30 and 1:30 p.m. At noon, Mrs. Robert Flickinton, organist at the Trinity United Church of Christ, Hanover, will give a one-hour organ recital. The Gettysburg Junior High School band will follow the recital with a one-hour concert.

The main program will start at 2 p.m. with Rev. Clark E. Smith, president of the board of directors, as master of ceremonies. The Rev. Dr. Frederick Eyster will conduct the devotional service, after which the Rev. Dr. Ralph Hartman, president of the Potomac Synod and son of the first president of the home, will speak on the founding and progress of the institution to the present.

Pony rides will be offered to the children this year.

GUN DISPLAY HERE THIS WEEK

The Pennsylvania Gun Collector's Association will hold its fifth annual exhibition of prize guns here this weekend.

Scheduled for the press room of the Hotel Gettysburg, where it has been held for several years, the Gun Collectors Association display will be held Saturday and Sunday, although most of the members are expected to arrive here Friday night or early Saturday morning to begin putting on display rare weapons from their various collections.

As in the past the display is expected to range from tiny derringers to larger hand weapons and from modern guns back to those of the Civil War or earlier origin.

The display has annually been open to the public free of charge. Children are admitted only when accompanied by adults. The value of the guns runs into the hundreds of dollars apiece.

Collectors from as far away as Florida and Massachusetts generally participate in the show.

Plan Children's Day On Sunday

Sunday will be Children's Day at the Lower Marsh Creek Presbyterian Church where the Rev. Edwin P. Elliott is the pastor. Sunday School and the morning worship service will be combined and held at 10 o'clock.

The regular Communion service will be held the first Sunday in July.

The congregation will be represented at the next meeting of Carlisle Presbytery which will be held next Tuesday in the Upper Path Valley Presbyterian Church.

VOTE DIVIDEND

The board of directors of the First National Bank of Gettysburg has voted the semi-annual three per cent dividend on the bank's stock, President I. Z. Musselman announced today. The dividend will be paid on July 1 to stockholders of record on June 21.

4 YOUNG MEN INJURED WHEN CAR HITS TREES

Four young men were injured and the car in which they were riding was demolished when the sedan left the Centre Mills-York Springs Rd., five miles north of Biglerville at 12:30 o'clock this morning and struck two trees.

State police said Paul L. Lenig, 18, Gardners R. 1, was driving the car east when he lost control and the vehicle went off the road, "bounced off one tree and smashed head-on into another tree 15 feet away, which brought the car to a stop."

Damage to the 1947 vehicle was estimated at \$100 — which police said was the value of the auto.

Lenig suffered injuries to the right wrist and chest but did not seek medical attention immediately. Austin L. Quesenberry, 29, Aspers, suffered head injuries, but also did not seek medical aid.

Raymond M. Smith, 18, Gardners R. 1, who had a broken nose and concussion, was removed to the Warner Hospital in the Biglerville ambulance and was admitted as a patient.

James Quesenberry, 17, Aspers, who had a cut lip, also was taken in the ambulance to the hospital and was treated there.

MACPHERSON NEW CHIEF OF PENNA.'S SUV

O. G. MacPherson, Gettysburg R. 1, was elected commander of the Pennsylvania Department of the Sons of Union Veterans Wednesday at the concluding sessions of the 80th annual convention of the organization at Philadelphia.

The new SUV commander, aged 69, has been a member of the Sons of Union Veterans and its military order, the Sons of Veterans Reserve, for 32 years. Currently serving as colonel commanding the Pennsylvania Brigade of the Sons of Veterans Reserve, he previously served as state adjutant for the Sons of Veterans Reserves from 1927 to 1941 under four brigade commanders, including the late Dr. Henry Stewart of Gettysburg. In 1916 he was commander of the Gettysburg Camp of the Sons of Veterans and has also served as a member of the Department Council of the SUV.

John H. Stark, commander of the Gettysburg Camp of the Sons of Union Veterans, was elected department patriotic instructor at the convention in Philadelphia.

Back Shriver For CIC

Chester S. Shriver, Gettysburg R. 4, was re-elected to another five-year term as secretary-treasurer of the state organization and was also endorsed by the state group as a candidate for commander-in-chief of the national organization of the SUV in 1962.

Other officers elected by the state department, most well known here from participation in local events, include Elton P. Koch, Ridley Park, senior vice commander; Charles H. Dern Jr., Philadelphia, junior vice commander; George E. F. Hohe, Emmaus; J. Franklin Dawson, Ridley Park, and James N. Kilhefer, Harrisburg, department council, and Rev. R. O. Partington, Lafayette Hill, chaplain; C. LeRoy Stoudt, Reading, chief of staff, and Ivan E. Frantz, York, personal aide to the commander. Harrisburg was selected as the

To Train Police In Use Of Radar

Members of the Gettysburg Substation of the Pennsylvania State Police Friday will report to Harrisburg for training in radar operation as a result of plans by the commonwealth to patrol the Lincoln Highway from Gettysburg to Philadelphia by radar from July 1 through the Fourth of July weekend. It will mark the first such use on state highways.

State police here said they understood that teams will be formed from the various substations along the route to operate the special equipment.</

LEADERS FOR NEW BOY SCOUT UNIT NAMED

G. Duane Bretzman will serve as institutional representative and Gerald E. Brough as chairman of the committee for the new Boy Scout troop being formed in Bendersville. It was announced following the third and final training session for adult leaders of the unit at the Bendersville firemen's hall Wednesday evening.

Sponsored by the Bendersville Fire Co., the new Scout troop will have as committee members, in addition Brough, Chester Ogden, James Cover, Jesse Tuckey and Charles C. Kingston. The Scoutmaster will be William Horner.

First meeting for the new Boy Scouts themselves will be held Wednesday evening at 7 o'clock in a newly decorated room in the former school building which has been donated for Scout use.

Charter Still Open
Scout Field Executive Stanley C. Rogers praised Gerald Brough and James Cover for the work they performed during the last several weeks in renovating the room, entirely at their own expense, so that it may be used by the Scouts.

Boys between the ages of 11 and 16 who may wish to become charter members of the new unit, and any adult who wishes to be chartered as a leader are to contact either Chairman Brough or Scoutmaster Horner by Tuesday, it was announced. The charter for the new unit is to be forwarded to York Scout headquarters for approval on Tuesday night.

Chairman Brough also asked that parents of any boys between the ages of 8 and 11 who may be interested in formation of a Cub Scout Pack in Bendersville this fall should contact him in the near future. If sufficient interest is shown, efforts to organize a pack will be started late this summer.

The Rev. Laverne Rohrbach was chaplain of the school; the Rev. Dr. Henry W. Sternat, superintendent, and Mrs. Donald B. Shetter, secretary.

Taneytown Plans Swim Classes

Red Cross swimming lessons will be held for the children of the Taneytown area July 5 to 15 at Meadow View pool, Union Mills. The Taneytown Jaycees will promote the program. "The need for everyone to learn the basic rules of water safety and to be able to handle themselves in the water is very evident, and it is hoped that many of our youngsters will avail themselves of the opportunity," a Jaycee spokesman said.

The program is open to all children between the ages of 8 and 17. Since instructions will be given this year at only one pool at a time, there will be a number of instructors and aides. A fee of 50 cents a week is charged by the pool operators to help defray the additional expenses incurred.

The Jaycees have also arranged for bus transportation for those desiring it. James Fair, chairman, reports the bus is filling fast, and anyone interested are to call him or Harry Dougherty Jr. for particulars. Reservations for bus transportation will be made on a first-come, first-served basis. Due to the response, cost of this service will be slightly less than originally anticipated.

ANNOUNCE REUNION
The Benchoff and Izer reunion will be held July 10 at Red Run Park. Those persons who plan to attend should take their lunch and supper.

HAIL AND RAIN HIT NATION

By THE ASSOCIATED PRESS

A large section of the country had rain today. Precipitation was reported by the Chicago Weather Bureau over parts of the Midwest, Mississippi Valley, the South, in the Plains states and New England.

Most of the rain began late Wednesday. A tornado hit the village of Shumway, Effingham County, Illinois Wednesday night. Several farm homes and other buildings were damaged. Utility service to many nearby communities was crippled.

Two electrical storms struck central Kentucky Wednesday. At least three persons died as a result of the storm. Lexington, Ky., has about 2 1/2 inches of rain during the storm.

Large Hailstones
Hailstones up to 3 1/2 inches in diameter were reported by the Weather Bureau near Decatur, Ill. Three-inch hail was reported near Sioux Falls, S.D., Wednesday night.

As the storm moved out of Illinois into Indiana, it generated strong winds that swooped into Terre Haute. At the fairgrounds there, some property damage was reported. Two persons were injured at a nearby trailer court when vehicles were upended.

Temperatures early today ran to seasonal form over most of the country.

Invite Teachers To Conference

Adams County teachers have been invited to attend sessions of the summer conference of the Henry C. Frick educational commission which opened Tuesday on the campus of Wilson College at Chambersburg. Republicans Name Wendell L. Willkie For U. S. President: In the longest nominating fight the Republicans have had since Warren G. Harding was nominated in 1920, Wendell Willkie, of New York, was nominated for President of the United States by the Republican National Convention, which has been in session at Philadelphia all week.

Great Conewago Church Opens 200th Anniversary: Celebration of the two hundredth anniversary of the founding of Great Conewago Presbyterian church, near Hunterstown, opened Sunday with morning and evening services in the old stone church that was raised two years before the United States adopted the Constitution. The celebration will close on Friday evening with an anniversary pageant. A special communion service was conducted Sunday morning. The Rev. U. A. Guss, Mercersburg, stated supply for Great Conewago church, conducted the service. The sermon was delivered by the Rev. J. Marshall Linton, a former student supply at the historic church and for many years pastor of the Presbyterian church at Tacony, Pa. The Rev. Seth Russell Downie, Hunterstown, the only living former pastor of Great Conewago church, took part in the service. Miss Sara Spangler, Gettysburg, was the soloist.

Bendersville School Merger Gets Approval Of Directors: The Adams County Directors at a dinner meeting Friday evening in Littlestown approved the proposed merger of Bendersville, Menallen township and a part of Tyrone township school districts and adopted a resolution recommending similar action by the state council of education.

Littlestown Citizens Vote For Sewer Projects Ask Council To Act: Littlestown citizens at a public meeting Monday evening in St. Aloysius Catholic hall there voted almost unanimously in favor of a sanitary sewer system and sewage treatment plant for Littlestown and directed the borough council to proceed immediately to file an application for federal aid through a W.P.A. project.

Today's Talk

YOUR MOST VALUABLE
POSSESSION

You carry it around with you. You walk with it, sleep with it, think with it, dream with it, do with it, go everywhere that it goes. Your most valuable possession is—your character!

It condemns or it praises you. It comforts, inspires—and may continually build you. For a man's or woman's character is what he or she actually is.

Your character may be misunderstood, misjudged, criticized—but it cannot be altered by these things.

But you may constantly better your character and make it more fit, for the thoughts and aspirations of your heart. And you will always be the greatest gainer thereby. There is always a most wonderful sense of personal satisfaction over the fact that one feels right and just within!

Your character is better than any bank—no matter how strongly assetted.

You may become very lonely at times. But your fine character will always be in a position to tell you things to do to keep you strong.

So what you see there is in a character that is fit and worthy, something that is vast—greater than money, friends—or anything.

Tomorrow Mr. Adams will talk on the subject: "Absorption in One's Work"

Just Folks

WHY?
I sometimes wonder why the world was made,
And why the souls of men were clothed in clay

And sent to barter and to toil in trade,
And cope with grief and sorrow and dismay?

What is the reason for this spell called Life?
And why this fleeting journey of the soul

Through world-ways edged with pleasure and with strife?
In this the only gateway to the goal?

It must be that all souls are sent to earth
To suffer pain, and wearily to plod

O'er troubled ways to show they are of worth,
And prove by tests supreme their faith in God.

28TH BIBLE MEETING OPENS ON SATURDAY

The Greenwood Hills Bible Conference, near Caledonia, will open its twenty-eighth season Saturday evening at 7:30 p.m. with an address by Alfred P. Gibbs, of Wheaton, Ill., Bible teacher specialist in children's work, author and song writer.

The first conference will continue until July 10. Other speakers expected are: Tom M. Olson, of Wawona, Calif., author of the Busy Man's Corner in the Sunday School Times and of the religious page in R. G. LeTourneau's magazine NOW, and Walter Jensen, of Scotch Plains, N. J.

Sunday sessions will be as follows: 9:30 a.m., the Lord's Supper; 11 a.m., address by Tom M. Olson; 3:30 p.m., address by Alfred P. Gibbs, and 7:30 p.m., address by Tom M. Olson.

Week day sessions will be as follows: 9 a.m., meetings for boys and girls under the direction of Alfred P. Gibbs; 10:30 a.m., conversational Bible readings; 7:30 p.m., Bible exposition by one of the conference speakers.

On July 4 a session will be held at 2:30 p.m.

The afternoons are free for rest and recreation under the direction of Herbert B. Hartman, of Reading.

Help S.S. Teachers

The conference is "designed to furnish help to Sunday School teachers and all those desiring a better knowledge of the Bible." All Bible studies, whether for children or adults, are open to the public. Bible and Christian literature may be secured on the grounds. The bookroom is under the supervision of Colin Heath, Fayetteville R. 2.

Camps for girls and boys between the ages of 10 and 16 will be held as follows: Girls' Camp, July 11-21, under the direction of Mrs. R. E. Harlow, of Plainfield, N. J., with Alfred P. Gibbs as evening speaker. Boys' Camp, August 8-18 directed by William J. Oglesby, of Victoria, Va., who has thus served for the past 13 years.

A mid-season Bible conference will be held July 23 to August 7 with the following speakers: John Welch, of Andover, Mass.; Harold G. Mackay, of Greensboro, N. C.; John W. Bramhall, of Charlotte, N. C., and recreational director, Z. C. Hodges, Chambersburg.

The final conference will be held August 20 to September 5 with the following speakers: Peter Pell, of Grand Rapids, Mich.; George M. Landis, of Fayetteville; David Ward of Mystic, Conn., and recreational director, Clyde Tyson, of Wheaton College, Ill.

Mr. and Mrs. Vance Johnston, of Greenville, S. C., will continue to serve as manager and hostess.

U.S. And Japan

in the cold war.

Although the leftist demonstrations forced Kishi to call off President Eisenhower's visit to Japan, the Premier stubbornly refused to dissolve Parliament and make the treaty the issue in a general election.

In a last-ditch effort, the leftists had threatened to blockade the U.S. Embassy and the foreign ministry to keep MacArthur and Fujiyama from meeting for the ratification exchange. This is how they were thwarted:

Foes Are Thwarted

President Eisenhower and U.S. Secretary of State Christian A. Herter signed the formal instruments of U.S. ratification before the President left on his Far Eastern trip but left the dates blank. The documents were flown to Japan.

As soon as the White House phoned Eisenhower in Hawaii Wednesday that the U.S. Senate had ratified the treaty, the President messaged Ambassador MacArthur to insert the dates on the documents.

Meet At Home

Arrangements were quickly made for the ambassador and the foreign minister to meet at Fujiyama's home, and not at the foreign ministry as the left-wingers expected. Newsmen were told of the plans less than an hour before the ceremony.

Three police patrol cars and 13 truckloads of police guarded the residence. But there was no sign of leftist demonstrators.

Later 300 weary, dispirited leftist students squatted in front of the foreign ministry. Another 1,500 held memorial rites in downtown Hibiya Park for Michiko Kamba, 22, a girl student who was killed in a student riot at Parliament June 15.

"We Are Shocked"

The students were expected to demonstrate later at Parliament, but one, questioned about the day's developments, said: "We are so shocked we don't know what to say."

The exchange took only three minutes, beginning at 10:10 a.m. Three documents were signed by MacArthur and Fujiyama: A note covering the new administrative agreement on jurisdiction over American forces in Japan, the security treaty itself and a protocol confirming the exchange.

"This is a significant day in the history of our two nations," MacArthur said at the conclusion of the signing. "The treaty is entirely defensive in character and

intend and represents a threat to no country or people."

Meet With Cabinet

Kishi did not attend the signing but met meanwhile with his cabinet a few miles away.

Regarded as his most logical successor was Hayato Ikeda, the tough, 61-year-old economic expert who carried out the drastic anti-inflationary reforms of the occupation period and is today the most vocal advocate of an expanding national economy.

A general election to choose a new Parliament is expected in the fall. But even most Socialists admit there is only slim likelihood of their shaking the conservatives' control in the foreseeable future.

Pirates' Hurlers, Batters
Setting Pace; Blank CardsBy ED WILKS
Associated Press Sports Writer

Who's getting the job done for the Pittsburgh Pirates in that National League race? Forget it. The question is "who ain't?"

They have the majors' top winner, Vern Law (11-2); Handyman Elroy Face and comeback guy Bob Friend on the pitching staff. And they have four of the top 10 hitters in the league plus the No. 2 man in RBI, Roberto Clemente, with 49.

Friend scattered eight hits and took the major league lead in shutouts with his fourth in a 5-0 victory over St. Louis Wednesday night. The Bucs had 11 hits—with Dick Groat (4-for-5) gaining the NL lead at .351; Clemente (.328) doubling home two runs, and Bob Skinner (.323) bringing the clincher across with a first-inning single.

7th Win in Last Eight

It was Pittsburgh's seventh victory in eight games protecting a 3½-game bulge over second place Milwaukee. The come-alive Braves made it five in a row with a 7-4 victory over third place San Francisco's fast skidding Giants.

Philadelphia defeated the Chicago Cubs 6-3, after filling away a 7-6 deficit in the completion of Tuesday's suspended game. Los Angeles and Cincinnati were rained out.

Friend gave up only one extra-base hit—Daryl Spencer's second-inning double—and didn't walk a man while winning his third in a row for a 9-3 record.

5th Loss For Antonelli

The Cards' Larry Jackson (9-7) lost his second in a row—both 5-0 decisions—after winning eight straight.

Milwaukee made it eight out of nine as Billy Bruton, who tagged an inside-the-park homer, Joe Adcock and Johnny Logan each drove in two runs. The Braves had 13 hits off three pitchers while sending Johnny Antonelli (3-5) to his fifth loss in a row.

Low Burdette (8-2) needed Don McMahon's help when the Giants scored three in the eighth with two out, but won his fifth straight.

The Phils won the regularly scheduled game in a four-run fifth capped by rookie Tony Curry's one-on-one homer. Rookie Tony Gonzalez also homered.

Johnny Buzhardt (3-4) and the Phils had Tuesday's game won before the curfew sounded after eight frames. The Cubs added a ninth-inning run against Robin Roberts' Wednesday night. Joe Schaffernoth (0-2) lost it.

GREAVES WINS
EMPIRE TITLE;
CHANGE SCORE

EDMONTON, Alta. (AP)—Will Greaves of Edmonton Wednesday night stripped Nigeria's Dick Tiger of the British Empire middleweight boxing crown in a weird 15-round bout that was at first called draw.

Shortly after it was announced at ringside that Tiger had retained his championship, the Edmonton Boxing Commission went into an emergency session and later awarded Greaves the decision.

The scorecards apparently had been added incorrectly.

In the scoring announced at ringside, Judge Dr. Louis Schwartz voted 9-6 for Tiger; Judge Dr. Les Willocks had Greaves in front 7-5-3. The deciding vote was cast by Referee Johnny Smith, who saw it 5-5-5. The point totals were evenly split 69-69.

Crowd Storms Ring

The crowd of more than 3,500 all but stormed the ring when the draw was announced. The reversal came long after the arena was empty.

The recount showed the two judges' cards cancelled each other out and the referee's card gave six rounds to Greaves, five to Tiger and four even.

The fighters went the distance without letting up, except during the last round when Greaves apparently thought he had the bout in the bag and concentrated on just hanging on until the final bell.

Major League Stars

By THE ASSOCIATED PRESS

Pitching — Early Wynn, White Sox bounced back from five straight defeats with 13th two-hitter for his career for 3-1 victory over second-place Orioles.

Hitting — Kent Hadley, Yankees, drove in three runs with two homers in 7-3 victory over the Tigers after breaking into line-up as sub for injured Bill Skowron.

CUBS PRAISE
CRIS SHORT,
PHILS HURLER

PHILADELPHIA (AP) — Most of the Chicago Cubs agreed Wednesday night that rookie southpaw Cris Short of the Philadelphia Phillies pitched like he had several years of major league experience.

At times, the 22-year-old Georgetown, Del., native dazzled the Cubs with his slow curve as he pitched the Phils to a 6-3 victory in a regularly scheduled game.

The Phils also beat the Cubs 7-6 in the carry-over of a suspended game halted Tuesday night by the National League curfew after eight innings.

The victories extended the Phils' winning streak to four games, longest of the season for the club, and moved them to within one game of the seventh-place Cubs.

Scatters 8 Hits

Short, who scattered eight hits and had a shutout until the seventh, picked up his fourth victory in six decisions.

"That boy is a real good pitcher," said Cubs' shortstop Ernie Banks. "He changes speed. He has good motion and every ball he throws does something."

Jim Hegan, the Cubs' veteran catcher, said it's unusual to see a youngster like Short changing up and throwing slow curves over for low strikes.

Again it was the Phils' rookies who stole the hitting show. Tony Curry and Tony Gonzalez belted home runs. Pancho Herrera also accounted for a run when he doubled and scored on Cal Neenan's single in a four-run fifth innings.

BRAVES THINK
ONLY OF TITLE

MILWAUKEE (AP) — The Milwaukee Braves are thinking only in terms of a pennant and they're playing in the style of their championship clubs of 1957 and '58.

The Braves took their fifth straight victory and eighth in the last nine games Wednesday night, defeating the sagging San Francisco Giants 7-4 before a gleeful crowd of 24,541.

Total home attendance moved to 511,030 for 26 dates.

"We're playing the way a good club should," said Manager Charlie Dressen. "We've been getting the pitching and the hitters are taking turns coming through. Every day it's someone different getting the big hit. None of that 3-for-3 by just a couple of players. We're getting the hits all the way through the lineup."

The Braves remained 3½ games behind Pittsburgh as the Pirates blanked St. Louis 5-0. But the Braves aren't worried about the league leaders. Said Dressen: "We'll worry about them only when we play them. The rest of the time we just have to go out and beat the other clubs."

Eastern League

By THE ASSOCIATED PRESS

Finally the Reading Indians have broken that jinx at Allentown but the big question now is whether they can climb from fifth back into the Eastern League's first division.

After losing six straight at Allentown, the Indians Wednesday night defeated the A-Sox 6-3 in the final game of their series. Frank Smith (2-2) held the A-Sox to three hits and needed help from Julio Guerra who preserved the victory.

Larry Brown led Reading's 11-hit attack with four singles.

Lancaster Wins

In other games, second-place Springfield shaved Williamsport's lead to one game with a 4-0 shut-out over the Grays by Jim Duffalo (4-0) and Lancaster defeated Binghamton 7-4.

Duffalo gave up six hits and struck out nine. Catcher Tim Talton sparked the Giants' attack by driving in three runs with a two-run homer and a double.

Mo Morhardt highlighted a Lancaster four-run third inning with a home run with two men on base. Charlie Herzberger (3-3) with help from Fred Burdette in the eighth, was the winner. The loss went to Phil Mudrock (3-2). Don Lock belted his eighth homer for the Triplets.

BRAVES SIGN
ALVIN DARK

PHILADELPHIA (AP) — The second-place Milwaukee Braves, seeking bench insurance for the pennant run, have obtained veteran Alvin Dark from the Philadelphia Phillies in a waiver deal.

The Phils asked waivers on the 37-year-old infielder Wednesday and the Braves were the only club to claim him. The price was not disclosed.

Dark said he appreciated being sent to the Braves and thinks they can win the National League pennant. He told newsmen he was sorry he didn't do more for the Phils for whom he hit .242 and batted in 14 runs in 55 games.

LOCAL JAYCEES
GOLF TOURNEY
NEXT MONDAY

Gettysburg's Junior Chamber of Commerce will hold its annual Junior Golf tournament Monday, June 27, on the Gettysburg Country Club course.

The tournament is open to all boys and girls of this area who will not have reached their 18th birthday by August 15.

In order to enter, contestants may sign at the country club up until next Monday at 8 a.m. All must provide their own clubs and equipment.

The winner will gain a berth in the Pennsylvania Jaycee championship tournament to be held at Lancaster on July 25 and 26. He will also receive a trophy from Clark Spence, local Pepsi-Cola representative. Pepsi-Cola is the sponsor of the national tournament. The local Jaycees will pay the registration fee for the state tournament as well as the national tournament if the local winner advances that far.

Second prize for the local tournament will be \$5 and third prize \$3. The first five golfers will receive cases of Pepsi-Cola.

Pirates Will Hold
Tryouts At Carlisle

The Pittsburgh Pirates will conduct a tryout camp at Carlisle Tuesday and Wednesday, July 5 and 6, at the Carlisle High School field under the direction of Joe Bowen, Pirates' scouting supervisor. He will be assisted by Lew Bertsch, Jim Davies and Lefty Hite. Players are to report at 9 a.m. and be prepared to workout until 2 p.m.

Players must be 16 years of age to be eligible to attend the camp. Players are also expected to furnish their own shoes, uniforms, gloves, etc. The Pirates will furnish all other equipment. Players will also be responsible for their traveling and living expenses with the understanding that all expenses will be reimbursed to those players signed to contracts with Pittsburgh organization clubs.

Washington's Camilo Pascual won six of seven decisions against Kansas City last season.

Gettysburg
Little League

The Lions Little Leaguers broke a triple tie for the cellar Wednesday night by defeating the Elks at the Little League Rec Field 9 to 7. The defeat dropped the Elks into last place while the Lions took fourth position.

A five-run rally in the last inning won the ball game for the Lions who had to come from behind. Teeter was rolling along on a no-hitter until the fourth when the first four men hit safely. Deal cleared the bases with a home run over the left field wall.

The big damage came in the ninth when a bases-loaded double by starting pitcher Baker drove home the tying run. Deal was credited with the victory after taking over in the top of the fifth with no one out.

Teeter pitched rather well until the sixth when he loaded the bases with two out. At this point, Mainland took over the pitching duties and was promptly greeted with Baker's big blow.

FAIRFIELD
LITTLE LEAGUE

A five-run rally in the last of the fourth inning gave the Braves a 7-5 victory over the Pirates Wednesday evening. The game was called after four and one-half innings due to rain.

Each team collected six hits. David Hadley of the Pirates, led his two with two singles and a double. Larry Hull and Mike Wyatt each rapped a pair for the Braves.

The winner will gain a berth in the Pennsylvania Jaycee championship tournament to be held at Lancaster on July 25 and 26. FAVORITE LOSES
TO 60 TO 1 SHOT

BOSTON (AP) — "He couldn't get hold of the track, so he said, 'the hell with it.'"

That was the way jockey Willie Shoemaker explained the failure of heavily favored First Landing in Wednesday's running of the \$50,000 Massachusetts Handicap.

A Suffolk Downs crowd of 21,845 made the 4-year-old colt a 5-3 favorite, but he never advanced beyond fourth and once trailed by 10 lengths.

A 60-1 shot, Battle Neck, beat him by a nose for the show spot in New England's richest horse race and led it most of the way.

Mrs. Ada L. Rice's Talent Show caught the surprising Battle Neck coming into the stretch and won by a length and a half. Polyad, a local produce, was second.

JAY FULLMER
LOSES BOUT

UTICA, N. Y. (AP)—Dickie Diveronica, a protege of Carmen Basilio, took a split, 10-round decision from Jay Fullmer, younger brother of the 160-pound champion, in a televised bout Wednesday night that introduced professional boxing to Utica's new, four-million-dollar Memorial Auditorium.

After the fight, Angelo Curley, Fullmer's trainer, said the decision "will kill boxing in Utica."

"No manager with any sort of a prospect will take a chance boxing upstate after watching tonight's fight," Curley said.

Fullmer, of West Jordan, Utah, said only, "I like Utica but not the decision."

Diveronica, 22, used Basilio's swarming, pressing tactics to defeat the stylist Fullmer, whose older brother, Gene, will defend his crown against Basilio Wednesday in Salt Lake City.

The defeat was Fullmer's seventh in 26 fights. Fullmer, 23, weighed 136 to Diveronica's 135½.

NEW PA. MINE SECRETARY TO RESTORE MINE

By BILL GIBSON

HARRISBURG (AP) — Pennsylvania's new mines secretary said today his department will continue to work for improvements in the laws for restoring land scarred by strip mining.

Lewis Evans, Ebensburg, a deputy secretary for the past five years, said the department has tried to get legislation to increase restoration requirements and the minimum bond for strip mine operators.

Evans was moved up to the \$20,000 a year cabinet post recently to fill the unexpired term of Joseph Kennedy, who resigned to resume his administrative activities with the United Mine Workers.

Must Backfill

Present law requires bituminous strip mine operators to backfill to a level three feet above the coal seam. For anthracite the backfill level is five feet.

Thus, Evans explained, if the coal seam were 80 feet below the surface, a bituminous strip mine could leave a sheer drop-off of 77 feet and still comply with the present restoration laws.

He said the department wants the new law which would require the operators to slope the edges to a 45-degree angle.

This would require much more backfilling and would cost more, creating a need for a higher bond, the secretary said.

40,266 Acres Restored

The bituminous operators now must pay \$100 registration fee and post bond of \$300 for each acre affected by their operations. The minimum bond is \$3,000.

Evans said the present bond is adequate for the present backfilling and planting requirements.

"The industry is keeping current now," he said. "As much acreage is being restored as is being disturbed."

Evans reported that operators have restored 40,266 acres during the past five years. He said this

The Anderson, Ind., College Collegaires Quartet will present a concert this evening at 7:45 o'clock in the York Springs Church of God, it was announced today by the Rev. Donald Roemer, pastor. The program will consist of hymns, gospel songs, personal testimony and special numbers. Members of the quartet are Dennis Neal, Fredonia, Pa.; Ron Shearer, Springfield, O.; Jim Kufeldt, Homestead, Pa.; and John Bloom, Erie, Pa. The accompanist will be Ken Cox, Richmond, Ind. The group's summer schedule will include concerts in Indiana, Ohio, Pennsylvania, Maryland, Washington, D. C., Virginia, North Carolina, South Carolina, Georgia, Florida, Alabama, Tennessee, Arkansas, Louisiana and Texas.

A get-acquainted hour with young people of York Springs, Carlisle and Harrisburg is being arranged by the Rev. Mr. Roemer and will be held at the parsonage.

While they are in York Springs, the singers will be the guests of Rev. and Mrs. Roemer. In the photograph above the singers are, left to right: Dennis Neal, Ron Shearer, Jim Kufeldt, John Bloom and Ken Cox, pianist.

compares with 24,313 acres restored by the operators during the first 10 years of the law.

The department's big problem is trying to restore the numerous gouges left by mining operators before the Commonwealth had restoration requirements.

"It would cost several billion dollars to eradicate all the scars caused by strip mining prior to the (restoration) law," Evans declared.

VIENNA (AP) — Seventy-four per cent of the officers of Czechoslovakia's army are members of the Communist party, a Polish newspaper received here said.

The paper described the Czech army as a "real people's army."

Senate Committee Okays Road Bill

WASHINGTON (AP)—The Senate Public Works Committee has approved a bill which would give Pennsylvania an extra 9½ million dollars for highway construction.

The measure, cosponsored by Sen. Hugh Scott (R-Pa.) and approved Wednesday, provides an additional 200 million dollars over a two-year period for the construction of the nation's federal-aid highways.

Construction in depressed areas is emphasized in the bill.

The funds can be used without limitation on either primary, secondary or urban roads, Scott said.

OUSTED COURT OFFICIAL WILL GET A REFUND

NORRISTOWN, Pa. (AP) — An auditing firm says Abram D. Hallman, former Montgomery County deputy prothonotary, is entitled to a refund of \$6,300.

First reports from the audit indicated a shortage in the accounts of the prothonotary's office and Hallman was suspended April 1. Hallman later covered the shortage by making payments into the prothonotary's office accounts. Dist. Atty. Harold W. Spencer subsequently absolved him from any wrongdoing in connection with the reported shortage.

The auditing firm, Main & Co., said Wednesday their audit was necessarily incomplete because of the books of the prothonotary's office were incomplete and inaccurate. The firm recommended the office completely revamp its accounting system.

"Sloppy Bookkeeping"

At the time Spencer absolved Hallman he also said it was simply a matter of sloppy bookkeeping.

Main said it found that since the investigation began Hallman had paid the prothonotary's office a total of \$54,233 though he actually owed, according to the records, only \$47,933. Hallman transferred the money from various bank accounts to make the payments, the auditors said.

Hallman, who had been connected with the office more than 55 years, resigned his post June 9.

C-D DIRECTORS ARE APPOINTED

HARRISBURG (AP)—Gov. Lawrence Wednesday appointed Civil Defense directors for municipalities in these counties:

Over half the families with incomes of \$2,000-\$3,000 are auto owners. This jumps to about 90% at the \$5,000 level. About one in six families with \$5,000 a year are two-car families. To reach his best prospects, an average car dealer spends \$3,233 a year for newspaper advertising — more than all other forms of advertising combined.

HUNDREDS AT SERVICES FOR SEN. ELLIOTT

CHAMBERSBURG, Pa. (AP)—Hundreds of persons, lawmakers and average citizens, attended final rites here Wednesday for Rep. Douglas H. Elliott (R-Pa.).

The 39-year-old congressman was buried with military honors in the cemetery behind the Falling Spring Presbyterian Church.

Elliott's colleagues from Congress and the State Senate were among those who filled the 600-seat church for the service conducted by the Rev. Rodney T. Taylor. Some of the mourners were seated in an adjacent chapel. Other spectators crowded the street.

Elliott, who committed suicide Sunday by carbon monoxide poisoning, was elected to Congress April 26 after serving in the State Senate since 1956.

Heading the Washington and Harrisburg delegations were U.S.

Seashore Lines To Lay Off 34 Men

PHILADELPHIA (AP) — The Pennsylvania - Reading Seashore Lines will lay off 34 of 47 maintenance employees at the Atlantic City, N. J., terminal.

General Manager Henry D. Kruggel said Wednesday the line operated with a deficit of more than six million dollars in 1959 and has suffered a sharp decrease in freight and passenger volume in the past five years.

Kruggel said the move was discussed with the International Brotherhood of Electrical Workers Union in Atlantic City last week. He said there will still be sufficient employees to properly handle all traffic through the Atlantic City terminal.

Sens. Joseph S. Clark and Hugh D. Scott of Pennsylvania; Rep. Ivor D. Fenton, dean of the state's GOP congressional delegation; Rep. Francis E. Walter, dean of the Democratic delegation, and Sen. M. Harvey Taylor, State Senate president pro tempore.

Nine other congressmen and nine state senators also attended.

SEEK JURY IN DISASTER CASE

EASTON, Pa. (AP)—Jury selection continued today for the trial of five men on involuntary manslaughter charges stemming from the Port Griffith mine disaster.

Two women and a man were seated Wednesday after the trial opened in the Northampton County Court of Judge Carleton T. Woodring. It had been shifted from Luzerne County on a change of venue.

The accused claimed they could not get a fair trial in that county because of the publicity and the economic trouble caused by the disaster.

Twelve men drowned in the Port Griffith mine workings of the Knox Coal Co. on Jan. 22, 1959, when the flooding Susquehanna River broke through the mine roof under the river bed.

The defendants are August J. Lippi, of Exeter, president of Dist. 1, United Mine Workers; Louis Fabrizio, of Yatesville, president and treasurer of the now defunct

Sports Car Driver Dies Of Injuries

READING, Pa. (AP)—A traffic accident claimed its second victim today.

Warren L. Loose, 48, of Reading, driver of a sports car which collided with a small truck Wednesday, died of head injuries in Reading Hospital.

Howard A. Brown, 50, of Shoemakersville, R. D. 1, driver of the truck, was killed instantly in the accident.

Relatives said both men were en route home from work when the accident occurred on the Warren Street Bypass here.

Loose was a manufacturers representative. Brown was employed by the Carpenter Steel Co.

Knox company; Robert L. Dougherty, of Wyoming, former Knox president; Fritz Renner, of Clarks Summit, chief engineer for the Pennsylvania Coal Co., which leased the workings to Knox, and Ralph A. Fries, of Moscow, district engineer for Pennsylvania Coal.

Manassa Mauler Is Busy, Happy In New York At 65

By WHITNEY MARTIN
Associated Press Sports Writer
NEW YORK (AP)—The grandmother advanced hesitantly to-ward the table, leading a 10-year-old boy by the hand. "Mr. Dempsey," she asked timidly, "could I... could we

York Springs

YORK SPRINGS — The York Springs Community Daily Vacation Bible School closed Friday evening in the Methodist church with a program including songs and a review of work completed. In the Sunday School room pupil handiwork was arranged on tables for viewing by parents and friends.

Workers in the Nursery Department were Mrs. Mary Whitcomb, Mrs. Dale Williams, Mrs. Edw. Rothenhoefer, Mrs. Julia Meyers, Dawn Washington, Beth Hoff and Karen Whitcomb, whose sessions were held in the York Springs Methodist church. Workers in the Primary Department were Mrs. Clyde Kennedy, Mrs. Calvin Leer, Mrs. Elmer Cashman, Mrs. Ann Phillips, Mrs. Arlene Reeve, Mrs. William Lehman, Mrs. Bertha Grove, Mrs. Harold Miller and Charlotte Leer. Rev. Amos D. Meyers and Hugo W. Schoeder Jr. taught the Junior Department.

The York Springs Lutheran Church held its Annual Father and Son banquet on Saturday night in the York Springs Fire Hall with 80 persons in attendance. Mrs. Ray Reinecker was toastmistress and Hugo W. Schroeder the speaker. Awards were given to the following: youngest father, Ronald Nelson; person coming the longest distance, Jim Cashman, 901 miles; persons having the places which had been marked, Robert Connelly and Wendell Lehman.

Mr. and Mrs. Howard Dunn and son Arthur were week-end guests of their son-in-law and daughter, Mr. and Mrs. Ray Reinecker, and family.

Mr. and Mrs. Paul Middour and children, Paul Jr., Kent and Frank, returned to their home on Sunday. The Middours returning from the Air Force Missile school at Lyndall Air Force Base, Panama City, Fla. spent the weekend with Mrs. Middour's uncle and aunt, Mr. and Mrs. L. H. Tildnan, and son, Stuart at Crozier, Va.

Capt. and Mrs. Latham H. Brown and children, Kathy, Colleen and Latham Jr., returned to their home in Indianapolis, Ind., after spending two weeks with Mrs. Brown's mother, Mrs. Olive Guise, and her brother, Rodger Guise. Patricia Guise, daughter of Mr. and Mrs. Stanley Guise, Mechanicsburg, accompanied the Browns to Indianapolis for a visit.

Mr. and Mrs. Joel R. Griest were guests of honor at a surprise silver wedding anniversary party held by their daughters, Miss June Griest and Mrs. Tom Toffey, at the latter's home. Relatives and friends attended. The house was decorated with roses and crepe paper. Refreshments were served and the table centerpiece was a three-tier wedding cake. Mrs. Griest was the former Sarah Stough, daughter of Charles Stough and the late Mrs. Stough.

The Latimore WCTU will hold their regular meeting at the home of Mrs. Chester Worley Monday at 8 p.m.

At a meeting of the Mothers' Auxiliary of the York Springs Boys Scouts Mrs. Everett Weiser was appointed to collect Boy Scout uniforms of former Scout members. Any persons having uniforms which they do not need and wish to sell or any in the troop at the present time who desire to purchase a used uniform are to contact Mrs. Weiser.

Week-end guests at the home of ... have your autograph? I've watched your career for years," Jack Dempsey gave her a Clark Gable smile, shook hands with the awed youngster, and, asking the boy's name, wrote a personal message on a menu.

65 On Friday
And you had a fleeting image of that boy 60 years hence proudly telling his grandchildren how he shook the hand of the great Manassa Mauler, the man who became a legend in his lifetime. He'll be 65 years old Friday, will this man who to millions still is "the champ," although it's 34 long years since the crown rightfully was his and a dozen champions of the heavyweight division have come and gone.

Eased Up On Pace
He still looks the part. Straight as a pencil, he appears taller than his 6 feet and one inch. A diet ordered by his doctor to reduce high cholesterol, or what he terms "thick blood," has whittled off 30 pounds and left him a svelte 200.

He spends much time now at his Broadway restaurant, where he is besieged by hero worshippers of all ages, from all walks of life, from crossroad villages and distant cities.

Dempsey has eased up on his living pace. At 65, he feels it is time to take it a little easier. So there is no more galloping across the country refereeing wrestling matches or fights, although he'd still do it for charity.

"Life's Good To Me"
"I feel pretty good, pretty good," he said, chewing on one of the long cigars he consumes at the rate of 10 a day.

"Life has been good to me, and I am very grateful. I have five fine grandchildren, all girls—Barbara has three and Joan, the older of my daughters, two. I have business interests, including a radio and television school in Chicago with an enrollment of 2,600 and 20,000 taking correspondence courses."

One of his cherished goals is to see boxing cleaned up and accepted as a good, wholesome sport.

OLDSTERS IN TOP FORM AT WIMBLEDON

By ROBERT JONES

WIMBLEDON, England (AP)—Believe it or not, some of the best tennis at Wimbledon this year is being served up by a grizzled veteran of 46 named Gardner Mulloy, who hails from Miami, Fla.

Mulloy is one of a quartet of oldsters the Wimbledon fans have come to regard as fixtures. The others are Jean Borotra, the bounding Basque from France; Jaroslav Drobny, 38, the Czech-turned-Briton, and Budge Patty, 36, the American in Paris.

Borotra, whose name first appeared on the Wimbledon roll of champions 36 years ago, is 62 and only plays in the doubles these days. Mulloy, Drobny, champion in 1954, and Patty, winner in 1950, all turned out in the singles this year—and Mulloy is the only one of the four still left to tangle with the serve-and-smash youngsters.

So far, he's played well over 100 games in three days. He's stroked his immaculate way through to round three of the men's singles — and looks good enough for 100 more.

Mulloy's ambition is to carry on like Borotra.

"There's something about Wimbledon—I love it," he said. "I'm hoping I shall be in there playing for another 15 years or so."

IKE BELIEVES NEXT LEADER MUST TRAVEL

By JOHN SCALI

HONOLULU (AP) — President Eisenhower believes his successor in the White House will find summit diplomacy and good will travels inevitable despite the hazards.

Eisenhower's views were reported today as the President went golfing for the fourth time in four days, relaxing from the rigors of his controversial Far Eastern trip.

He teed off in the bright Hawaiian sunshine on a closely-guarded course, nestling on the edge of the Pacific, on the other side of the mountain from famed Waikiki Beach.

Shuns Appointments
Eisenhower shunned all outside appointments while resting. In the afternoon, he arranged to work a bit more on the report he has promised the nation of his flying visits to Korea, Formosa, the Philippines and Okinawa.

This major television-radio speech will bear down heavily on the successes Eisenhower believes he achieved in his widely-acclaimed stopovers in these four areas.

But he also will deal at some length with the now much-publicized blowup of his planned stopover in Tokyo in the face of leftist-led riots.

Speak Next Week
Eisenhower has scheduled his speech for some time next week after he flies back to the White House this weekend.

In Eisenhower's view, the gain registered in the capitals he was able to visit came because presidential tours provide an unequalled opportunity to demonstrate dramatically U. S. interest in individual countries.

The next president, Democrat or Republican, may have to set off on such travels just as much as he has despite the pitfalls, he believes.

One important reason dictating this, Eisenhower feels, is that they undoubtedly will be necessary to offset the personal appearance tours of the Soviet Union's fast-moving Nikita Khrushchev who shows no signs of slowing down his travels.

Negotiate At Top
It is also because Khrushchev and his apparent determination to negotiate personally at the top that Eisenhower refused to believe that summit conferences are dead.

He is known to share Secretary of State Christian A. Herter's view that more emphasis should be placed on trying to settle tangled international problems via diplomatic channels, especially in view of the Paris summit collapse.

But if Khrushchev stalls low-level discussions because he insists on a top-level meeting, Eisenhower believes the next president will find it almost impossible to hold out against it.

Public Opinion
World public opinion, skillfully exploited by the Soviets, would inevitably drive Western leaders toward a summit date with Khrushchev, in his view.

Officially, Eisenhower has refused to rule out prospects of another flying trip abroad during the remaining six months he has left in office.

The odds against it appear very long.

Mr. and Mrs. Orvis Bloom were Mr. and Mrs. Harry Palmer, Butler, Pa.

Mr. and Mrs. Elmer Coulson and son, Bill, visited recently with Mrs. Carrie Martin at the Barrow Convalescent Home in Palmyra. Mrs. Martin has been a guest at the home for 17 months following a hip fracture.

EXPECT U. N. TO CENSURE ISRAEL ACTS

By WILLIAM N. OATIS
UNITED NATIONS, N.Y. (AP) — Diplomats generally predicted today that the U.N. Security Council would approve an Argentine resolution censuring Israel for the secret removal of Adolf Eichmann from Argentina.

A vote on the resolution was expected this afternoon or Friday. Some sources anticipated unanimous approval; others thought several nations might abstain.

The resolution charges Israel with violating Argentine sovereignty and calls on the Israelis to make "adequate reparation." But Premier David Ben-Gurion already has said emphatically the Nazi war criminal accused of major responsibility for the extermination of six million Jews would not be returned to Buenos Aires, as Argentina demanded earlier.

Expressed Regret
Israeli Foreign Minister Golda Meir, speaking in the council debate Wednesday, admitted Eichmann had been removed from Argentina illegally and expressed her government's regret. She said that constituted "adequate reparation" to Argentina.

A diplomat familiar with Argentina's position said the Buenos Aires government would regard approval of the resolution as affirmation of its "moral right" and would soften its position accordingly. This seemed to indicate the Argentines would let their demand for Eichmann's return lapse.

Mrs. Meir repeated Israel's contention that Jewish volunteers, acting independently and not as agents of her government, found Eichmann in Buenos Aires, captured him and took him to Israel last month for trial.

Which Threat Greater?
The Argentine delegate, Mario Amadeo, told the council the Israeli government, in accepting Eichmann, had automatically approved his capture and "has therefore become responsible for it."

Mrs. Meir, pleading the "exceptional nature and uniqueness" of Eichmann's case, asked whether the greater threat to peace lay in "Eichmann brought to trial" by Jews he had planned to kill, or in "Eichmann at large, Eichmann unpunished."

Soviet Delegate Arkady A. Sobolev, U.S. Delegate Henry Cabot Lodge and Sir Pierson Dixon of Britain all backed Argentina's contention that her sovereignty had been violated.

MOTHER OF VICTIM ASKS END TO CASE

By GENE HANDSAKER
LOS ANGELES (AP)—Perhaps a one in a million chance caused Douglas Beane's bullet that killed a gopher to ricochet on and kill a little neighbor girl, too.

The victim's mother who caused dismissal of a manslaughter charge against him is "probably one person in a million," says Beane.

"I don't know how I'd feel in such a situation," the 25-year-old auto repair shop owner told a reporter Wednesday. "I have children. Only a person who believes wholeheartedly in God would have an attitude like hers."

Child Died
Beane fired a .30-caliber carbine at a gopher that popped its head out of a hole in his back yard in suburban Lynwood last Feb. 25. The gopher died.

The bullet zinged on, through a rusty, corrugated tin fence and through the tarpapered, 3-16-inch plywood wall of a house at the rear.

It struck 4-year-old Donna

Area Marketing Agent

With summer officially here, even greater emphasis will be centered around the barbecue grille and outdoor cookery as a refreshing change in the mealtime scene. The summertime food supply makes it possible to plan appealing picnic menus, reports Tom Piper, Penn State marketing agent.

Beef continues in the spotlight at retail meat counters this week-end. Declining beef costs have sent wholesale prices to their lowest level of the year to date. Steaks will be featured in many food markets, leading a variety of retail values.

Fresh pork prices remain unchanged from quotations of past weeks. Demand for pork declines when hot summer weather conditions prevail.

Chicken Prices Unchanged
Chicken will be featured in many food markets at generally unchanged prices. Shoppers will have a choice of whole chicken, halves or part; bargain prices will continue on small turkeys.

Summertime brings an abundance of fresh vegetables to local markets. This heavy supply condition results in lower prices for most commodities and adds to the list of very good buys.

Snap beans and small summer squash are bargain items this week. Other good buys include cabbage, cucumbers, endive, escarole, radishes, peppers, spinach and other leafy greens.

Onions and iceberg lettuce are reasonably priced but at somewhat higher levels than has prevailed in past weeks. Higher prices are noted for sweet corn, carrots, celery and tomatoes as nearby crops are not yet ready for market.

Prices have dropped sharply for eastern grown round-type potatoes. A very late spring in many areas has resulted in an over-lapping potato harvest and an unusually heavy build-up of supplies. You'll find several varieties available with each serving its own cooking purpose.

Home-grown Berries
Home-grown cherries will appear as a highlight on many fruit counters this weekend. The peak of the sweet cherry harvest will come this week in Southcentral Pennsylvania. Because the crop of Bing and white sweet cherries is estimated at 40 per cent below that of last year look for slightly higher prices.

Banana prices have dropped at the wholesale level. Look for this fruit to be available at very attractive prices in your retail store. Apricot prices are very reasonable now as the peak harvest of this fruit is underway. Lemons, plums and grapes are in good supply although prices remain steady.

Watermelons are much lower in price as supplies from Florida promise to deluge the market in the next week to 10 days. Quality is excellent. Liberal supplies of cantaloupes are arriving from the western growing areas; prices are about as low as can be expected considering the shipping distance and cost of transportation.

Sword in the back as she watched television at the neighbor's house while her mother was at work. Several weeks later, after an operation and sufficient apparent recovery, she could play with Beane's two young sons. Then she died.

Superior Court Judge Evelle J. Younger dismissed the manslaughter charge Tuesday after reading a letter from her mother, Mrs. Frank Sword. It said in part:

"I do not believe any good purpose could be served by insisting that this case be tried. Douglas will punish himself 1,000 times more than any law could do."

"For the good of everyone and for our own peace of mind, we feel that the case should be dismissed."

SCHOOL AID BILL SEEMS DOOMED TO DIE

By JOHN BECKLER

WASHINGTON (AP) — House Democratic leaders today sought to breathe new life into a school construction bill apparently doomed to death by the House Rules Committee.

The committee took both Republican and Democratic leaders by surprise Wednesday by refusing to allow the House to seek a compromise with the Senate on school legislation. The two houses have passed widely differing bills on the subject.

With Congress rushing toward adjournment, the committee's action spells doom for the bill this year unless it can be prevailed upon to reconsider the matter, or the Senate agrees to pass the House bill in much its present form.

Politics Involved
Election year politics loom

large in efforts to revive the bill, which would provide federal grants to help states build schoolrooms.

Senate Majority Leader Lyndon Johnson, who would like to be the Democratic candidate for president, badly wants a school bill to bolster his bid for the nomination. His fellow Texan, House Speaker Sam Rayburn, would like to help him get it.

Vice President Richard M. Nixon, the probable Republican candidate, is also pushing for passage of a school bill, for no other reason than to deprive the Democrats of an issue in the forthcoming campaign.

Two Courses Open
Nixon conferred last week with House Republican Leader Charles A. Halleck of Indiana in an effort to get favorable committee action on the measure.

But in the 7-5 vote, all four committee Republicans joined three Southern Democrats to defeat the conference move supported by five other Democrats.

Only two courses remain open to backers of the legislation. Either they must prevail upon the committee to reconsider, or they must induce the Senate to abandon its own bill and act on the House measure.

Under the latter plan, the Senate would be expected to strike out a House-approved amendment denying federal funds to segregated schools, with the understanding that the House probably would agree to go along with that change.

DOUBTS NEW RECORD

FRANKFURT, Germany (AP)—

West Germany's Armin Hary, newest "fastest human," doubts the 10-second world record he claims for the 100 meter dash ever will be bettered.

"Why, there must be a limit," the slender, blond 23-year-old track star said on return from his record feat in Zurich Tuesday. "After all, it took 25 years to better the 10.2 of Jesse Owens to my ten flat. It should take at least as long to get below that mark. But I don't believe anybody will run faster than ten flat."

He said that "while politically responsible officials knew generally of this program of U2 overflights they did not subject them to continuous and coordinated scrutiny." He said that neither President Eisenhower, Secretary of State Christian A. Herter nor Secretary of Defense Thomas S. Gates Jr. pushed the button for the ill-fated U2 flight brought down inside the Soviet Union last May 1.

"If we can draw any conclusion from the public record," Mansfield said, "it is that this particular flight owes its origin more to bureaucratic inertia, lack of coordination and control and insensitivity to its potential cost than it does to any conscious decision of politically responsible leadership."

Third baseman Jim Baxes holds the honor of being the first major leaguer to be sold this spring. Cleveland sold him to San Diego.

NEW CHARGES BY MANSFIELD IN U2 INCIDENT

By ERNEST B. VACCARO

WASHINGTON (AP) — Sen. Mike Mansfield (D-Mont) charged today that facts indicate the control and timing of U2 spy plane flights were left "in the hands of various obscure employees of the bureaucracy."

"Who runs this administration in the vital matters of foreign policy and defense?" Mansfield asked in a prepared Senate speech.

"It is not a new question. The shocking disarray of departments, agencies and sub-agencies through which this nation tries to conduct the foreign relations and defense of the nation, at best, borders on a national disgrace, and at worst, courts national disaster," he added.

Lengthy Attack

The assistant Senate Democratic leader focused on the handling of the U2 spy plane incident in a lengthy attack on the Eisenhower administration's foreign policies. He asked for a sweeping overhaul of defense and foreign policy machinery.

Mansfield is a member of the Senate Foreign Relations Committee which conducted hearings into U2 flights and the events that followed.

He said that "while politically responsible officials knew generally of this program of U2 overflights they did not subject them to continuous and coordinated scrutiny." He said that neither President Eisenhower, Secretary of State Christian A. Herter nor Secretary of Defense Thomas S. Gates Jr. pushed the button for the ill-fated U2 flight brought down inside the Soviet Union last May 1.

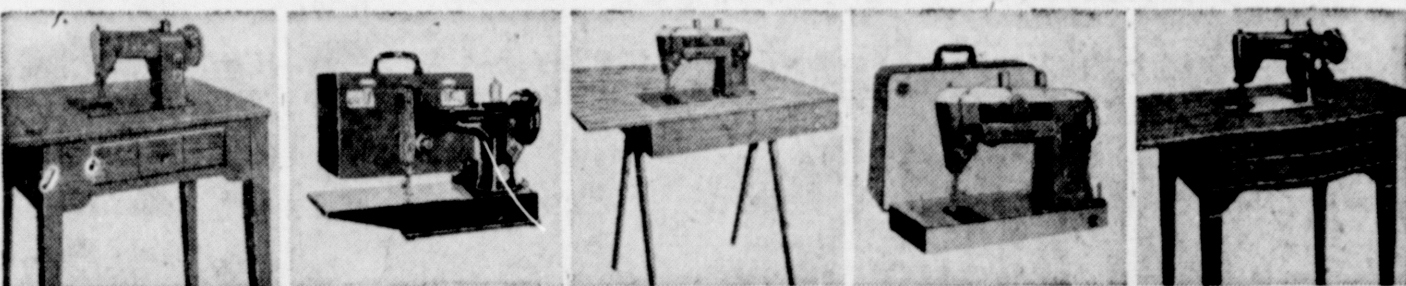

"If we can draw any conclusion from the public record," Mansfield said, "it is that this particular flight owes its origin more to bureaucratic inertia, lack of coordination and control and insensitivity to its potential cost than it does to any conscious decision of politically responsible leadership."

Third baseman Jim Baxes holds the honor of being the first major leaguer to be sold this spring. Cleveland sold him to San Diego.

SOVIET CHIEF RAPS CHINESE WAR POLICIES

LONDON (AP)—In an apparent rebuke to Red China's leaders, Soviet Premier Nikita Khrushchev said Tuesday the Kremlin has no intention of giving up its policy of peaceful coexistence and relaxation of tension.

"No world war is needed for the triumph of Socialist ideas throughout the world," Khrushchev said in a speech at the third congress of the Romanian Congress party in Bucharest.

"These ideas will get the upper hand in the peaceful competition between the countries of socialism and capitalism," he declared. The text of the speech was published by Tass, the Soviet news agency.

Reply To Peiping

Khrushchev did not mention Red China, but his remarks were an obvious reply to Peiping's sharpshoot at the Soviet premier's professed policy of seeking better relations with the capitalist nations. Chinese propaganda has harped on Lenin's statement that war between communism and capitalism is inevitable.

Khrushchev recalled that the co-existence policy was linked directly to the line laid down by the 20th Soviet party congress of 1956 that "war is not inevitable in our time."

"Those who do not understand this," he said, "do not believe in the power of creative abilities of the working class, underestimate the might of the Socialist camp and do not believe in the great attractiveness of socialism which has clearly demonstrated its advantages over capitalism."

Blasts Administration

In a new blast at the Eisenhower administration, Khrushchev said the Soviet people hope to see in America "the election of a president and the formation of a government which recognizes and corrects the mistakes committed by the present government."

The Soviet Premier said the demonstrations that helped overthrow the U.S.-backed governments in Korea and Turkey and those in Japan opposing the U.S.-Japan security treaty showed that "the American imperialists and their adventurist policy have so discredited themselves that they have become hateful not only to

New Faces Highlight 1960 Totem Pole Season

GLORIA WILLIS

SHELIA BARRY

MAURICE OTTINGER

THOMAS RUISINGER

When the curtain rises on the 1960 Summer season at the Totem Pole Playhouse Saturday night at 8:40 p.m., many new actors and actresses will be introduced to the audiences. During the season more than 18 new personalities will make their Totem Pole debuts. In the first production Maurice Ottinger will portray the role in "Two For The Seesaw" originally created on Broadway by Henry Fonda. Ottinger was last

seen in the New York in the production "Come Share My House" and has been engaged for the touring company of Gertrude Berg's (Molly) "Majority of One." He will appear in five other shows this season.

Opposite Ottinger will be Mary Tahmin, who played the role in "Seesaw" on Broadway. Gloria Willis, who was voted by George Jean Nathan as "One of New York's 10 Most Promising Actresses," will appear in four plays this summer.

As a more permanent member of the company, Thomas Ruisinger will make his first appearance in "Roman Candle" and appear in every production thereafter. Ruisinger played opposite Julie Harris in two Broadway productions, "The Lark" and last season "The Warm Peninsula."

Young Shelia Barry, singing actress, will debut in the Gay Nineties musical "Charley's Aunt" and play in six other productions. Miss Barry made her step into the theater after winning an award on a CBS radio show. Her most recent appearance was as the spirited young lady in "The Boy Friend" at Highland Park's Music Theater.

EDD BYRNES TAKES CAREER "SERIOUSLY"

By CYNTHIA LOWRY

NEW YORK (AP)—Edd Byrnes, the tall good-looking young actor who shot to TV stardom last year playing a hip apprentice private eye in "77 Sunset Strip" is already concerned about an occupational disease called over-exposure.

This season Edd and his employers, Warner Brothers, became involved in a salary dispute which resulted in Edd's voluntary disappearance from the weekly ABC show for five months. The difficulty has been, as Edd blandly puts it, "adjusted" and he recently returned to his role of "Kookie" the beatnik king, hair-combing parking lot jockey.

"I don't think the walk-out did me a bit of harm," said Edd. "It had the advantage of taking me off the screen for a time—gave people a rest from seeing me every week. After all this time, it may be a good thing."

Aims At Movies

Byrnes, who looks younger than his 26 years, bears no resemblance to the flip teen-ager he portrays. He takes his career—particularly his acting—with utmost seriousness.

"I like playing in the series," he said, "but when you get to a certain point in your career you have to have a blueprint for your future. And I would like to be a motion picture actor—I am for that. That's where you get the best scripts, the fine direction and have the time to work properly. Also, in motion pictures you can play a variety of roles."

Some Observations

What is there about television's top honors—the Emmies—which make the annual awards show less exciting than the motion picture Oscar program? There was none of the pre-show excitement about who would win the TV performing awards. And some of the winners were curious choices. For instance, Jane Wyatt has been playing in "Father Knows Best" for six years—and won her first Emmy after the show was discontinued. But Fred Astaire's special last year picked up nine separate Emmies—while his second, produced with almost the same cast and crew, received not a single statuette.

Other newcomers will be Grant Code, formerly with the Hedgerow Theater in Philadelphia; Jonathan Troy, Hollywood actor making his Eastern debut, and last seen in the film version of "Caine Mutiny Court Martial."

Marian Mercer, who was recently with Tony Perkins in "Greenwillow," will join the Totem Pole Players later in the season. Many other new personalities will be introduced as the season progresses.

Last year's winners of the Totem Pole "Tommys" (audience poll), Jean Stapleton and Doug Robinson, will return to do several plays this summer. Miss Stapleton's recent motion picture for MGM was "The Bells Are Ringing" and starred Judy Holliday and Dean Martin. Another actress familiar to Totem Pole audiences is Margaret Hill, who will appear later in the season as Mother in "Life With Father." The season will again be under the guidance of William H. Putsch, marking his seventh year at the Caledonia State Park Playhouse.

RADAR CHECK ON SPEEDERS

HARRISBURG (AP)—Gov. Lawrence Wednesday ordered state police to begin using radar to check highway speeders over the Fourth of July weekend.

They will put two units into operation along a 100-mile stretch of U.S. 30 between Gettysburg and Philadelphia.

Lawrence said additional units will be put into operation around the state as they become available and as warning signs used in conjunction with the radar units are erected along state highways.

Motorists stopped for speeding on radar checks will be only given warnings. Radar evidence is not legal in speeding cases in Pennsylvania.

Lawrence announced in February that the state police would use the electronic devices in an educational campaign to win support for proposed legislative action in 1961 to make radar evidence legal.

WILL GRADUATE DESPITE BRAWL

SOLVAY, N. Y. (AP)—Seniors at Solvay High School, some of whom drank liquor at a class picnic that turned into a damaging brawl, will have graduation exercises, despite a recommendation to the contrary.

The Board of Education voted Tuesday night to allow the graduation to be held Saturday. However, a senior breakfast,

MIDDLE-AGED MAN USELESS? BUILD VIRTUE

By HAL BOYLE

NEW YORK (AP)—Are you middle-aged? Do you feel worthless?

This feeling is very common to many people in their autumn years.

Even middle-aged women sometimes feel a sense of uselessness, once their children are reared.

Usually Cured

But a woman is usually too smart—and has too much basic self-respect—to let that feeling linger long. She cures herself by taking off her shoes which is a

scheduled for Friday, was canceled.

Mary Pirro, board president who had suggested that the graduation exercises be canceled, rushed out halfway through the meeting and burst into tears. School officials asked her to return.

"Everybody is blaming me," Mrs. Pirro sobbed.

Mrs. Pirro said she understood girls' smuggled liquor in their handbags to the picnic at a county park near Syracuse.

A park official said the pupils ripped down a bridge, damaged a toilet, and smashed windows.

The board said the school superintendent would meet individually with the parents of 12 pupils accused of misconduct.

feminine remedy for almost any ill, by eating a steak dinner, by buying a new hat, or by picking a quarrel with her husband. For some reason women always feel better after fussing at their husband.

It is the middle-aged man who is more likely to get the feeling he is no good—and to brood over it.

He may be a pillar of the community. He may never have gone to jail in his life. He may be doing well on his job, paying his debts, and abstaining from striking his children or dog in public.

He may even remember to send a greeting card to his mother-in-law on Mother's Day.

Yet he is dissatisfied with himself. He is swept by recurring moods of black melancholy. He feels, unreasonably to be sure, that he and his life add up to a mutual zero.

This man, obviously, is in need of what psychologists call "ego satisfaction." He needs to build a better opinion of himself, to regain a feeling of virtue and an appreciation of his own worth.

How can a middle-aged man do this? If you have this problem, here are a few suggestions:

Buy yourself an automatic back-packer. When you come home from work, feeling low, you simply stand in front of the machine. It pats you repeatedly on the shoulder with a firm hand while a tape-recorded voice booms in your ear, "you're the greatest."

Confess to your wife you feel like a bum. From then on the problem is hers—and she will fight it, too. She won't permit any husband of hers to feel like a bum. She has too much pride.

Move to a hut in the wilderness, and build a better mousetrap. The world will then beat a path to your door—thus making it at least easier for you to move back into town.

Scribe Claims Herter Guilty Of Misjudgment

By JAMES MARLOW
Associated Press News Analyst
WASHINGTON (AP) — The picture of the State Department which emerges from senatorial quizzing on the U2 spy plane and the Tokyo riots is more than just the poor judgment now admitted.

Secretary of State Christian A. Herter and his department showed a lack of attention to vital details and a failure to understand both human reactions and Communist tactics.

When the Central Intelligence Agency sent the U2 on its mission over Russia—just two weeks before the summit conference—it was taking a chance, since the plane might be downed and American spying exposed.

Result Obvious
The result could have been guessed in human terms. Premier Nikita Khrushchev, who had been preaching good will toward President Eisenhower and the United States, would be outraged. And no wonder.

Such an incident would make him look like a sap before the whole Communist world. While he had been pumping up hope for the summit meeting, the United States was violating Soviet territory.

This goes far to explain his violent reaction when the plane was downed and the pilot captured. He wrecked the summit, called off Eisenhower's trip to Russia, and began a campaign of ridicule against him.

No Specific Knowledge
It might have been expected of the State Department—with the summit meeting so close—that it would have been on top of every detail involving Russian relations.

But Herter told the Senate Foreign Relations committee that neither he nor Eisenhower knew specifically of the disastrous spy flight although they had approved the spy program in general.

Eisenhower was to have gone on to Japan after his tour of Russia. There was good reason to believe that, even if he had a Russian triumph, he might have met with

violence and riots in Tokyo.

Mounting Demonstration
Communists, laborites, nationalists and even some conservatives were opposed to the new American-Japanese defense treaty. There had been mounting demonstrations against it for more than a year.

This alone—since Eisenhower's safety might be endangered and American prestige damaged—would have been reason enough to call off his Tokyo trip once Khrushchev had canceled his Russian visit. It would have been based on the idea of taking no unnecessary chances.

When Vice President Richard M. Nixon made his Latin American trip in the early part of 1958—and ran into anti-American riots—Khrushchev had just become premier. He had not yet entered his love-America phase.

Situation Changed
The Communists were blamed in big part for the anti-American riots against Nixon. That's understandable. The Communist world then was trying to embarrass the United States every way it could.

By the time Eisenhower made his Latin American trip this year, Khrushchev had visited him here, the summit meeting was just a few weeks away, and Khrushchev was soft-pedaling anti-Americanism.

Eisenhower Reception
It is probably more than accidental that Eisenhower, unlike Nixon, ran into almost no anti-Americanism from Latin American Communists. Moscow, be-

LEGISLATURE BEGINNING TO COUNT COSTS

HARRISBURG (AP)—The Legislature's cat-and-mouse political game over adjournment is beginning to be felt where it hurts the most—in the pocketbook.

For instance, those representatives who went home after Monday's session will have to pay their own travel expenses to come to Friday's meeting of the House.

The Senate, however, met Monday, Tuesday and at 1 a.m.

cause of the mood prevailing at the time, probably told them to go easy on Eisenhower.

So, if the summit were not a bust and Eisenhower made a triumphal tour of Russia, it could have been expected Moscow would tell Communists everywhere to pipe down when Eisenhower arrived, including Tokyo.

That was about the only reason the State Department should have had for thinking Eisenhower might not run into trouble in Japan. But that reason went out the window once Khrushchev turned on Eisenhower.

Instead, the State Department could have realized the year-long history of Tokyo riots was a signal to expect more of the same when Eisenhower arrived, particularly since now Moscow could be expected to stir up the Japanese Communists against him.

All these obvious things apparently failed to penetrate the State Department thinking.

Wednesday then called it a week. It will return next Monday when a new week and new round-trip mileage take effect.

Hard To Figure
One innocent bystander who can do nothing about it but pick up the tab is the taxpayer. But even he seems unconcerned because it's so hard to figure exactly what these periodic sessions of the Legislature are costing him.

What is the Legislature doing in session?

Ask a garden variety legislator that question and he likely will shake his head in bewilderment.

Ask Stephen McCann, House Democratic majority leader, and he says: "It's a waste of the members' time and the taxpayers' money to be here now."

Nothing Wrong
The Republican view, as expressed in the House Monday by Minority Leader Albert W. Johnson:

"There's nothing wrong with us keeping an eye on things, keeping an eye on the governor and seeing what he's doing."

The Republican viewpoint—that the meet-and-recess program is really less expensive—is contrasted with Democratic claims that it does cost the taxpayers, and for what?

Chronology For 1960

Here is the chronology of 1960 up to now: The Legislature met Jan. 5 and recessed Jan. 25. It recessed Jan. 26 to Feb. 1, then again on Feb. 3 to Feb. 8. It met June 6-7, then recessed to June 20. The House recessed June 20 to June 24. The Senate met Wednesday and recessed to June 27.

The Democrats, who control the House as well as the executive department, want to adjourn the

SEE HEALTH MENACE IN POLLUTION

SEE HEALTH MENACE IN POLLUTION

HARRISBURG (AP)—Pollution of Spring Creek near State College may pose a serious threat to human health, says the vice chairman of the House Fisheries Committee.

Rep. Harris G. Breth (D-Clearfield) added Tuesday that the stream has a foul odor.

"The neighborhood of this stream is going to be unfit for human habitation," he said.

Breth made the comment at the first in a series of public hearings on the condition of the famed fishing stream in Centre County.

Another hearing is scheduled for June 29 at the State College Borough Hall.

Very Costly Plans
"Maybe by being up there we can offer some help to those people to move along on cleaning up this stream," said Committee Chairman William B. Curwood (D-Luzerne).

State Health Department officials putlined several possible solutions

for eliminating pollution on the stream.

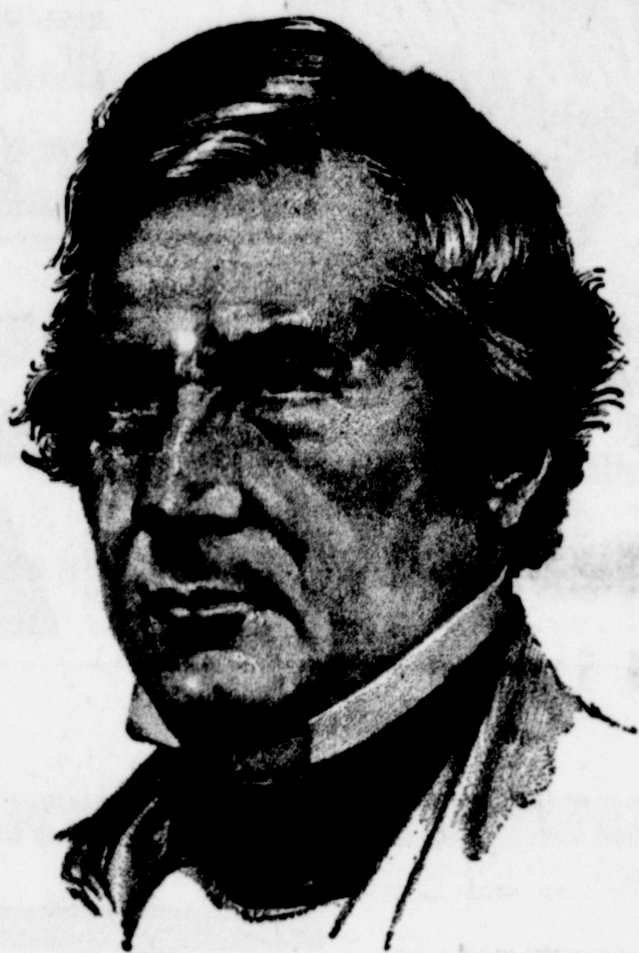

But, Walter A. Lyon, the department's chief sanitary engineer, said they are extremely expensive and may run into the millions of dollars.

The proposals included moving the sewage treatment plant downstream or to another watershed, pumping water to another watershed and discharging waste into the stream below the State Fish Commission hatcheries.

The city of Shreveport, La., was named for Henry Shreve, a designer of passenger-cargo boats.

MR. PRESIDENT

by Patrick and Vinmont

MILLARD FILLMORE

Born in Cayuga County, New York, January 7, 1800. He attended the country schools until he was 15 when he was bound out as an apprentice to learn the trade of a woolcarder. Four years later he began the study of law and taught school to earn his way. He was admitted to the bar in 1823.

At 29 he was a member of the New York Assembly and for eight years a member of Congress. In 1844 he was defeated for the governorship of New York. His election to State Controller of New York in 1847 prompted the Whigs to nominate him for Vice-President with Taylor.

The second Vice-President to be promoted by death, he became the thirteenth President of the United States on July 9, 1850 and served two years and eight months.

Slavery was the chief issue during his administration. He signed the Fugitive Slave Law. With a political minority in both houses of Congress, many wise measures he recommended failed to be adopted. After an unsuccessful effort to succeed himself he was nominated by both the Know-Nothing and Whig parties in the election of 1856 but was again defeated. He died in Buffalo on March 8, 1874, aged 74.

EDWARD EVERETT

Born in Dorchester, Massachusetts, 1794. Before entering politics as a Congressman, 1825-35, he had graduated from Harvard, studied for the pulpit and served as a minister before he was 20. He studied in Europe five years and became the first American to receive a Ph.D. degree from Göttingen. He then taught Greek literature at Harvard.

He served as Governor of Massachusetts, 1836-40, Minister to Great Britain, 1841-46, President of Harvard, 1846-49, Secretary of State under Fillmore and as a United States Senator, 1853-54. He was outstanding in his support of the national government during the Civil War and was in constant demand to speak at public meetings. He delivered the last of his great orations at Gettysburg at the consecration of the National Cemetery. He died in 1865.

MRS. MILLARD FILLMORE

Born in New York, in 1798, Abigail Powers, a teacher, was married at twenty-eight to Millard Fillmore. She continued her work until his career was established. In fragile health, as First Lady she was ably assisted by her lovely daughter, Abigail, well educated and musically talented. Dismayed at finding not a book in the mansion, they founded the first White House library with volumes of their own choosing. At informal literary or musical gatherings or at State functions, the Fillmore ladies presided with simple dignity and a warm, natural friendliness. Mrs. Fillmore died in 1853.

LAWRENCE IS BLAMED FOR "SIT DOWN"

HARRISBURG (AP)—A Republican lawmaker claims Gov. Lawrence is behind the maneuvering that has thrown the Legislature into an in-again, out-again schedule.

Rep. Albert W. Johnson, House Republican floor leader, said the governor is responsible for "a costly sit-down strike to try to force the Legislature out of Harrisburg until after election day."

Although both parties admit that there is little, if anything, for the Legislature to do now, the sessions are caused by an unsolved problem that has plagued the 1960 Legislature almost from the start—whether to recess or quit.

Republicans—successful in get-

ting two earlier recesses despite Democratic pleas for final adjournment—want to come back Sept. 12.

The Democratic-controlled House however, is now using a Constitutional provision in its battle to end the session. The state's basic law states that neither house can be out of session for more than three days without consent of the other.

House Democrats, hoping to force the Senate to return later this week, adjourned after Monday's session until Friday.

Only Six There

The Senate met Tuesday, then held a token session lasting from 1:06 to 1:09 this morning. In holding the brief session the Senate met the Constitutional requirement, enabling it to recess until next Monday.

Only six senators, four Republicans and two Democrats, were on hand for the brief meeting. A handful of Senate employees, two spectators and three newsmen watched as Senate President Pro Tempore M. Harvey Taylor whipped through the proceedings.

Emmitsburg

MRS. RALPH LONG

EMMITSBURG — Mrs. J. Ward Kerrigan remains a patient at Johns Hopkins Hospital, Baltimore, where she underwent surgery last Tuesday. Her address is: Thayer First, John Hopkins Hospital, Baltimore, Md.

Open house was held on Sunday from 2 to 5 p.m. at the home of Mr. and Mrs. J. Harry Scott in honor of their 25th wedding anniversary.

The second quarterly meeting of the Central Maryland Section of the Holy Name Society was held Sunday afternoon in St. Euphemia's Hall, President John Myers, Taneytown, conducted the meeting. Refreshments were served following the meeting after which the Corpus Christi procession was held. Three benedictions were held on one at the main altar in church and two at altars set up in the cemetery. Rev. Father Trainor officiated. Canopy bearers were Jacob Baker, Quinn Topper, Louis Topper and Curtis Topper.

Mr. and Mrs. Fred P. Timmerman, Federal Ave., observed their 40th wedding anniversary Thursday. Sgt. and Mrs. William Timmerman, Philadelphia, visited over the weekend with his parents.

U. S. Steel Reduces Customers' Prices

PITTSBURGH (AP) — Prices of hot rolled products sold from the U. S. Steel Corp.'s supply division warehouses in Pittsburgh, Chicago and Cleveland have been revised.

U. S. Steel said Tuesday the prices of some products were increased while those of other products were decreased, all to meet competition.

The company said the changes overall will mean a cost reduction to customers but declined to say what the reduction would be.

Mrs. Clarence Wachter.

Mr. and Mrs. James Brady and baby spent the weekend with Mrs. Brady's parents, Mr. and Mrs. Clarence Sanders.

Weekend visitors at the home of Mr. and Mrs. James Arnold included Mr. and Mrs. Willard Weikert and family, Gettysburg, and Mr. and Mrs. Charles Pitzer and family, of New Jersey.

Mr. and Mrs. Francis Glass and family, Thurmont, visited Sunday with Mrs. Glass' parents, Mr. and Mrs. Bernard Kelly.

Mr. and Mrs. Donald McClellan and daughter, Frederick, visited recently with Mrs. Elmer Lings and family.

BRINK'S THIEF IS FREED BY MASS. COURT

BOSTON, Mass. (AP)—Joseph J. "Specs" O'Keefe, 51, who helped mastermind the \$1,219,000 Brink's robbery, was declared a free man in Superior Court Wednesday — so far as the Commonwealth of Massachusetts is concerned.

The dapper convict who has spent nine of the last 10 years in jail was given two concurrent terms of three to four years in jail for his role in the nation's biggest cash robbery. However, Judge Felix Forte found O'Keefe already had served more time than that and directed his discharge.

"You are discharged from custody as far as the Commonwealth is concerned," the court said.

Natally Dressed

Natally dressed in a dark blue suit—tailor-made for the occasion—O'Keefe was brought to court from East Cambridge jail, handcuffed to a jail master.

Dist. Atty. Garrett H. Byrne told Judge Forte—who presided at the Brink's trial—it was his belief O'Keefe should not serve one more day in prison.

"I feel," the district attorney said, "he has paid his debt to the Commonwealth in full."

Voluntarily Jailed

He said O'Keefe had voluntarily "placed himself in a position of jeopardy and literally condemned his person to imprisonment."

O'Keefe then was escorted downstairs to Municipal Court to face a fugitive from justice charge from Pennsylvania.

Federal, state and local law enforcers, freely admit the Brink's robbery Jan. 17, 1950, might not have been solved without O'Keefe's help.

It was on the testimony of the Boston hoodlum that eight men were sentenced to life for the robbery. O'Keefe said 11 men took an active part in the fabulous haul.

"GRANDMA AMERICA"

NEW YORK (AP)—A newspaperwoman of 73 has been chosen Grandma America. She's Mrs. Eugene Carothers, a member of the editorial staff of the Canonsburg (Pa.) Notes.

She won \$5,000 in prizes, including a trip to Brazil, when Grandma America Inc. named her the winner Tuesday out of 20 grandmothers from across the country.

The organization works to recognize accomplishments based on civil action, home achievements and personality.

The American Museum of Natural History is studying, from its Research Station on Long Island, the spectrum of radio frequency radiation from the planet Jupiter.

"How about one of
those
wonder drugs?"

"I've got a cold," the man said, and he went on to ask for a "wonder drug." The pharmacist sold him some aspirin and advised him to see his physician. As it happened the aspirin fixed him up fine, but the point is this: Pharmacists are not physicians. We work with doctors, providing the drugs and medicines they prescribe. We have a professional knowledge of the powerful new "wonder drugs," so we know how important it is to use them correctly. Please do not feel offended when your pharmacist refuses to sell you a certain drug. It is for your protection and in the best interest of your good health. Always see your doctor when potent medication is required.

Kennedy, Johnson Camps Hack Away At Each Other

Editor's Note: Jack Bell, veteran Associated Press political writer, reports here on some of the backstage political infighting as the Democratic National Convention approaches.

By JACK BELL
WASHINGTON (AP) — Supporters of the two leading prospects hacked away at each other today with can't-win charges in the final pre-convention phase of the contest for the Democratic presidential nomination.

It's the type of political infighting that is more effective in campaign workers' private contacts and meetings of small groups than in the speeches and statements intended for public consumption. Backers of Sen. John F. Kennedy (D-Mass.) were contending that Senate Democratic Leader Lyndon B. Johnson of Texas couldn't win in November even if he should get the nomination—which they say they are confident he won't.

The Kennedy people find it sufficient from their standpoint to inquire if interested Democrats believe the Texas senator can carry New York, California and other large states. Their implication is that he can't.

Take Similar Lines
Johnson's associates take the same line, with variations. Their first question when they arrive in any state is: "Can Kennedy carry your state?" They don't bring up the subject of Kennedy's Roman Catholic religion, but the implication is there.

The Johnson men—and the Senate leader himself for that matter—also are peddling the political line that Kennedy, a youthful appearing 43, hasn't the experience and maturity to handle Soviet Premier Nikita Khrushchev and other pressing world problems.

May Be Too Late
While politicians generally think this is an effective gambit, many of them believe that it may be too late in the day to head the Massachusetts senator off from the nomination.

Kennedy's delegate strength has particularly impressed some of the supporters of Sen. Stuart Symington (D-Mo.). Their confidence seems to have dwindled that there will be a convention stalemate which might permit the man from Missouri to surge forward as a compromise candidate. Johnson's men write Symington off as no serious threat. They appear serenely confident that within a short time after the convention gets under way they will have former President Harry S. Truman on their side.

Truman For Johnson?
They think Eleanor Roosevelt, who supports Adlai E. Stevenson, couldn't have been more correct—despite Truman's denial—when she said that Truman really favors Johnson and not Symington.

Truman reiterated in New York Tuesday that "Stuart Symington is my candidate and the only man I'm interested in now."

But despite Truman's insistence that he never deserts a candidate, Johnson supporters like to emphasize his use of the word "now," and argue that if Symington falls by the wayside, Truman won't be long in joining their cause.

Truman's chief value is that the party pros like him and might listen to him if a touch-and-go situation arrived. If he teamed with House Speaker Sam Rayburn (D-Tex.), who is plugging Johnson, the Texas would have back-room manipulators of the first order.

LUNAR LIVING STUDY NEEDED FOR SPACEMEN

WASHINGTON (AP) — The job of building big enough boosters to get man to the moon is progressing well, the House Space Committee reported Wednesday, but little is being done to see how he can stay there.

The indications are it will be something less than a pleasure trip for the first spacemen to arrive. The temperature on the moon

ranges each day from a low of 270 degrees below zero to 212 degrees above. There is practically no atmosphere and little gravity. **Other Problems**
Meteorites are constantly bombarding the surface, cosmic radiation is intense, and an accidental look at the sun would lead to instantaneous, permanent blindness. These hazards of lunar living were cited by the committee in a report backing a plan by the Army Corps of Engineers to build a research facility to simulate conditions on the moon. The facility would cost six million dollars and take three years to build, the committee said. The committee said big booster projects to provide the thrust for moon trips have top priority rat-

Shamokin Death Is Ruled As Suicide

SHAMOKIN, Pa. (AP) — The death of a Shamokin area man has been ruled a suicide by deputy Coroner Ernest Korten of Northumberland County. Trooper A. J. Zakowski of the 10th Troop of the State Police Department or the National Aeronautics and Space Administration has a single program to simulate conditions a moon explorer will face, it added. The space program for the next 10 years, as outlined by NASA, calls for manned orbital flights around the moon by the end of the decade. No manned landings on the moon are contemplated before the early 1970s.

Shamokin state police said George F. Kerstetter, 58, of Shamokin R. D. 2, shot himself in the head with a pistol. His father-in-law, Willard Paul found the victim's body in an automobile about 50 yards from their farm home Tuesday. Zakowski said Kerstetter had been ill and despondent since the death of his wife.

CHOOSY CHIMPS
SAN DIEGO, Calif. (AP) — The chimpanzee show at the zoo was eliminated because Dr. Charles Schroeder, zoo director, said he had determined that the chimps performed only under threat of discipline — not for the reward of food, as with the case of sea lions and dog.

BULLETIN

UNITED NATIONS, N. Y. (AP) — Argentina told the U.N. Wednesday that Israel's attitude on the Adolf Eichmann case had caused the collapse of proposed direct negotiations between the heads of the two governments. Negotiations, Argentina said, would be useless under present circumstances. Mario Amadeo, Argentine delegate, called on the 11-nation Security Council to find that Israel had violated Argentina's sovereignty when it transferred the former Nazi official last month from Buenos Aires to Israel. The Erie Canal opened in 1825.

ENSIGN KOONTZ IS LAUDED BY ACADEMY HEAD

Ensign Ronald L. Koontz, U.S.N., son of Mr. and Mrs. Paul E. Koontz, 106 Water St., Aspers, took leave of the Naval Academy following his graduation on June 8 with the plaudits of the superintendent, Rear Admiral Charles L. Melson, ringing in his ears.

Into his files as the initial item in his office selection jacket at the Bureau of Naval Personnel went the following special order citation from Admiral Melson:

"I take pleasure in informing you that, in the graduating class of 796 members, you have been selected as one of 22 midshipmen who, through the demonstration of outstanding officer like qualities, have contributed most by precept and example to the development of these qualities within the bridge. You are hereby commended for the leadership and the high ideals of duty, honor, and loyalty which you have shown."

Commanded 21st Co. Koontz was commander of the 21st Company, 8th Battalion, which won the Naval Academy Athletic Association Cup for the best performance in intra-brigade sports competition. The cup was presented during June Week ceremonies and remains on display in the field house.

The academy "Lucky Bag," the Midshipman yearbook, described Koontz thus:

"Ronnie came to Annapolis from the Pennsylvania Dutch settlement north of Gettysburg, in Adams County. Ronnie was an outstanding member of his high school class, the class president, and football captain. His athletic abilities brought him to the attention of a Navy scout, and he was recruited for Crabtown-on-the-bay. From the beginning Ron-

PIONEER DIMS RADIO CONTACT

WASHINGTON, (AP) — In a week, the earth may lose radio contact with Pioneer V, now orbiting around the sun more than 20 million miles away.

The huge radio telescope in Jodrell Bank, England, shot a signal at Pioneer V Tuesday, the five-watt radio in the 26-inch space probe responded instantly. At Jodrell Bank, a spokesman said that Pioneer V's batteries were deteriorating, and the radio telescope will probably be unable to track it any longer than another week.

Its designers had not expected the space probe to send signals from more than 20 million miles out. It was launched in March.

nie had to hit the books a little harder than many of his classmates, and the determination he displayed will serve him well in the fleet.

Biglerville Graduate
"The academy gave Ronnie his first contact with military life, and he should prove to be an asset to whatever phase of that life he chooses. His natural ability in sports and his friendliness have earned him a great number of friends who will not forget him and their four years on the banks of the Severn."

Koontz was graduated from Biglerville High School in 1956, where he played varsity sports and was a member of the Four Letter Club, president of the junior class and a choir member. At the academy he played varsity baseball and was a member of the plebe cross country team and was on the brigade honor committee.

Following the completion of his leave he will report to the submarine school at New London, Conn.

PRELATE RAPS BIRTH CONTROL BY CATHOLICS

SAN ANTONIO, Tex. (AP)—The Rt. Rev. Msgr. Irving A. DeBlanc terms "alarming" a report that Roman Catholic "married" couples are using contraceptive birth control in about the same measure as non-Catholics.

Msgr. DeBlanc made the statement in an article written for the National Catholic Family Life Conference under way here.

The Roman Catholic Church opposes use of contraceptives.

In an interview Tuesday, the Washington, D. C., Catholic leader, said the report is based on studies which include a Catholic Digest poll.

He said the studies are individual surveys and not broad enough to be used as conclusive evidence but he termed them "alarming statements."

Won't Change Position
Msgr. DeBlanc added that the church will never allow pressures of society to change its position against the use of contraceptives. Msgr. DeBlanc is director of the Family Life Bureau of the National Catholic Welfare Conference.

In a forthcoming book, Msgr. DeBlanc says that if a serious overpopulation problem occurs and all other means of easing it have been tried, the church will probably recommend either complete or periodic continence for married couples.

A Washington psychiatrist told the conventional Americans over-emphasize sex in marriage by "enshrining it in mystery and secrecy."

Need Parental Guidance

Dr. John R. Cavanagh said it is desirable to discuss with engaged couples aspects "of the psychology of interpersonal relations rather than give them a di-

BRIEFS

GENEVA (AP)—The five Communist disarmament delegations Wednesday accused the West of trying to wreck the 10-nation disarmament talks.

In a joint statement, issued after a two-minute meeting of the conference, they charged the United States and its allies are evading businesslike discussions on disarmament.

SEOUL, Korea (AP) — Four members of Syngman Rhee's government went on trial in Pusan Wednesday on charges of rigging the March presidential election in favor of Rhee and his running mate, Lee Ki-Poong.

Heading the quartet was former provincial Gov. Shin Do-Sung. One of three police officers accused with him was still at large and was being tried in absentia.

HARRISBURG (AP) — Deputy Atty. Gen. Victor Wright, top investigator in the State Justice Department, has resigned to enter private law practice, effective July 15.

Wright, a deputy attorney general since February 1956, said Tuesday he will join a Philadelphia law firm headed by Thomas D. McBride, a former State Supreme Court justice and attorney general.

Wright, a one-time assistant district attorney in Philadelphia, has been handling the Justice Department's probe of alleged voting irregularities in that city.

His salary is \$16,000 a year.

luted version of sex activity with emphasis on its mechanical aspects."

Cavanagh is a member of the advisory board of the National Catholic Welfare Conference.

The Very Rev. Msgr. George V. Kelly, a Catholic leader from New York City, said that neither boys nor girls get as much guidance from parents as they need before they marry.

Sharp Intraparty Tiffs As Candidates Jockey For Presidential Nomination

By THE ASSOCIATED PRESS

Further evidence emerged today of the sharp differences between candidates in both the Republican and Democratic races for the presidential nomination.

On the Republican side, the latest evidence was in public view. Vice President Richard M. Nixon and Gov. Nelson A. Rockefeller of New York offered it in major speeches Tuesday.

On the Democratic side, the latest evidence involved private party meetings. Supporters of Sen. John F. Kennedy of Massachusetts and Sen. Lyndon B. Johnson of Texas were exchanging warnings that the other man couldn't win in November.

GOP Difference

The Nixon-Rockefeller differences concerned the nation's economic growth and its method of making high policy decisions.

In a speech in St. Louis, Nixon criticized those who say that the Soviet Union is growing at a much faster economic rate than the United States and who call for government steps to change this. "The critics argue that if we would just adopt their pet economic philosophy we too would grow like the Soviets," Nixon told the National Junior Chamber of Commerce.

"Growthmanship"

"They invite us to join them in playing what is rapidly becoming the most fashionable political parlor game of our time—a game we might call 'growthmanship.'"

But Rockefeller, in a television interview in Binghamton, N.Y., said economic growth was "far more important than a parlor game. It affects the lives and well-being of the people of our country."

The governor, who says he would be available for a Republican draft at the national conven-

GE Declares It Complies With Law

PHILADELPHIA (AP) — The General Electric Co., one of six manufacturers indicted Wednesday on antitrust violation charges, says the action is not in itself proof of guilt but "merely charges that may or may not be proved in court when brought to trial."

The firm added that "it is GE's long-standing written and enforced policy to comply strictly with the antitrust laws."

Other firms named in the indictment were Westinghouse Electric Corp.; Allen Bradley Co.; and Cutler-Hammer, Inc., both of Milwaukee; the Clark Controller Co. of Cleveland; and the Square D Co. of Detroit.

No date was set for arraignment. The September term of the federal court is expected to try individual cases.
